         Creative Writing Celebration
         901 N. Colombo Avenue
         Sierra Vista, AZ 85635
Deadline for registration form, contest entries and fees: Monday, March 2, 2015

Entries will not be accepted for reading until registration forms and fees for the Celebration are received. Authors may enter in more than one category, but a separate $5 fee must accompany each entry. All submitted writing must be the original, unpublished work of the person entering the contest.

Contest categories:
• Poetry
• Short story
• Memoir

Each poetry entry may include up to three poems for a total of up to five pages, typed, on standard white paper in black ink, single- or double-spaced. Short story and memoir entries are limited to 10 double-spaced pages per entry — about 2,500 words, typed on standard white paper in black ink.

Each entry must include a separate title page bearing title(s) and category of entry and the author’s name, address, phone number and email address. The author’s name should not appear on the manuscript, as entries will be judged anonymously. Authors may include a stamped, self-addressed envelope for return of manuscripts, or they may pick up entries and judges’ critique at closing ceremonies.
