"My son is my true inspiration. I want to show him the importance and benefits of education. As a single mother, I have learned that a college degree is the only way I can adequately support my son while also working in a field where I can serve my community."

Hannah Vaughan
Mother, Student, 2009 All-Arizona First Team, Coca-Cola Silver Scholar

SECOND SESSION ............................................................. JUNE 23-JULY 15
IT’S EASY TO REGISTER!

1) Apply for admission if you are a new Cochise College student or if you haven’t attended in the last two years.

2) Apply for financial aid

3) Take a placement test in the Student Development Center or One Stop.

4) Meet with an advisor to plan your classes.

5) Register for your classes in the Registration Office or the One Stop, or register online if you have earned at least 12 credits at Cochise College.

6) Pay for your classes at the Cashier’s/Business Office or pay online through the college Web site at www.cochise.edu, use Facts/e-Cashier payment plan or verify with the Financial Aid Office that you have financial assistance that will hold your class registration.

7) Purchase your textbooks

Disability Services - If you require auxiliary aids, services, or other accommodations, call 515-5337 (SVC), or 417-4023 (DC).

ADVISING AND REGISTRATION

MAY 26
Start of eight-week and first five-week classes

Register:
APRIL 20–MAY 13, MONDAY-THURSDAY, 7:30 A.M. TO 5 P.M.
FRIDAY, 8 A.M. TO 1 P.M.
MAY 18–26, MONDAY-THURSDAY, 7 A.M. TO 5 P.M.

JUNE 30
Start of second five-week session.
REGISTER BY 5 P.M. JUNE 30.

PAYING FOR SUMMER SEMESTER 2009

All fees must be paid the day you register. If you have been awarded financial aid, your registration will be retained, and you will not be dropped for non-payment. If you wish to drop, you must formally withdraw from class/es. To arrange partial payments, refer to the online (Facts/e-Cashier) payment plan information at www.cochise.edu or on page 13 of this schedule.

PLACEMENT ASSESSMENT

Success in college depends upon placement in courses best suited to your needs and educational experiences. You must complete the appropriate assessment tests if you are: 1) Enrolling in a course with an established reading, math, computer or English prerequisite, or 2) Seeking a degree or certificate and have completed seven or more credit hours. Please allow two hours for testing. Every effort will be made to have test results available within 48 hours. This is only an initial placement. All students will be reassessed in their English, reading, computer and math classes during their first week of class. Students are allowed one free retest. All other retests will have a fee. There will be no testing on holidays.

You need to take the English as a Second Language (ESL) placement test if you plan to register for the ESL program on the Douglas Campus. For more information, see the ESL section in the schedule.

Douglas Campus

Testing is held in Room 708.

For information, or to schedule an evening test, call (520) 417-4091 or (520) 439-6825.

MONDAY - THURSDAY, 8 A.M.-4 P.M.

Fort Huachuca

Placement testing will be held by appointment only on Tuesdays at 1 p.m. in the Fort Huachuca Rascon Learning/Army Education Center, Building 52104. Please call (520) 533-1701 to schedule your appointment. Space is limited to 17. Military personnel have priority.

Sierra Vista Campus

Placement testing is held by appointment only in the Student Development Center, Building P-5. Call (520) 515-5447 to schedule your appointment.

Extended Learning, BENSON, NOGALES AND WILLCOX

Please allow time for tests to be graded before registering. Tests given daily, except holidays, 8 a.m. - 3 p.m.

If you wish to make an appointment, call:

BENSON (520) 586-1981
NOGALES (520) 287-5583
WILLCOX (520) 384-4502
ADMISSION

Admission to Cochise College may be granted to any person who meets one of the following criteria:

- Is a graduate of a high school which is regionally accredited, or has a GED, or
- Is 18 years of age or older on or before the first day of classes, or
- Is a transfer student in good standing from another college or university.
- If you are under age 18 and do not have a high school diploma or GED, please see an admissions representative before enrolling.
- Additional admissions criteria is required for international, aviation, nursing, transfer and concurrent high school students.

New Students

If you are entering Cochise College for the first time, you must complete an admission application available in the Admissions Office. Admission to Cochise College does not guarantee enrollment in any specific course or program.

To be admitted you need to:

1. Complete a student application (form available at the Admissions Office or online).
2. Mail or bring the completed form to:

COCHISE COLLEGE ADMISSIONS OFFICE
4190 WEST HIGHWAY 80 901 N. COLOMBO AVE.
DOUGLAS, AZ 85607-6190 SIERRA VISTA, AZ 85635-2317
(520) 417-4005/4046 (520) 515-5336/5412

3. An online admission application is available at www.cochise.edu.

Continuing Students

If you are currently taking a class at Cochise College or you have attended a class at Cochise College within the past two years, simply register for classes. It is to your advantage to register as early as possible to ensure a better choice of class selections and times.

Former Students

If you have not enrolled at Cochise College during the past two years, you must re-file an admission application with the Admissions Office.

Transfer Students

If you have attended another college and would like to transfer credits toward an associate degree from Cochise College, you must request that an official copy of your transcript(s) be mailed directly to the registrar from each of your previous colleges. Student copies or unofficial copies are useful for advising but are not acceptable for transferring credits.

Current High School Students

If you are a junior- or senior-level high school student who would like to enroll in one or two classes, you may do so by submitting the following:

- Application for admission.
- A Concurrent Enrollment Form. This form requires written approval from the designated school official, as well as parental or guardian approval and release grades to high school. The form is available at your high school or the Cochise College Admissions Office.
- You must take the appropriate Cochise College placement tests.

High school students taking occupational courses, such as agriculture, aviation, business, computers, culinary arts, drafting, welding, nursing and medical assisting, can complete a COMPACT program registration packet and save up to 50 percent on the cost of each course. Packets are available at the Student Development Center, Admissions Office, and Tech Prep Office, (520) 515-5347.
Legal Resident, Refugee or Temporary Resident Students

If you are in the United States as a resident alien, refugee, or temporary resident, you are to submit an application for admission and present your valid Immigration Status Card. You may need to improve your English proficiency before enrolling in college-level courses.

Border Commuters

Mexican citizens can attend Cochise College as border commuters. They must be seeking a degree, live in Mexico, and have an F-1 student visa. Contact the International Student Office at (520) 417-4038. Since the paperwork is complex, begin the process at least two months before you plan to attend Cochise College.

International Students

Cochise College defines an international student as a student attending Cochise College while on an F-1 visa. International students are considered non-resident students for tuition and fee purposes. International students may apply for one of two areas of study:

• The English as a Second Language (ESL) program on the Douglas Campus is for students who do not have college-level English skills, or
• A traditional academic program leading to an associate degree.

For information on admission and registration requirements, contact the International Student Office at international@cochise.edu or (520) 417-4038.

Students Taking Online Courses

Cochise College offers an expanding array of courses, certificates and degrees online. These courses meet the same criteria as traditional classes. They use the resources of the World Wide Web to enrich your educational experience. You can make your own class schedule to meet your personal needs. Students can apply to Cochise College, browse online class offerings, register and pay for classes, consult an academic advisor, contact instructors, and participate in class discussions and assignments on the Web.

For more information, visit the Online Campus at www.cochise.edu. You’ll find information about the courses, tuition, financial aid, how to use Web Study student learning system, and answers to frequently asked questions. You can take an online assessment to see if online classes are for you.

Aviation Students

Special application procedures are in place for students interested in aviation department programs: Professional Flight (PFT), Maintenance (AMT), Avionics (AVT). If you wish to be admitted to one of these programs, contact the Aviation Department admission specialist located on the Douglas Campus at (520) 417-4029 or via e-mail at aviation@cochise.edu. Information about programs may also be secured through the Aviation Department website at www.cochise.edu. A nonrefundable deposit is required for all aviation programs before admission can be considered. The deposit will be refunded if the student is not accepted into the program by the Aviation Department.
**Associate Degree Nursing Students**

While admission to Cochise College is the initial step for entrance into the nursing program, it does not guarantee acceptance. Nursing is a limited-enrollment curriculum that frequently has more applicants than can be accepted. A grant-funded pre-nursing student support program is available to help prepare qualified students to meet the challenges of the nursing program.

You will need to follow special application procedures if you wish to be admitted to the nursing program. The deadline for submitting an application to the nursing program for the fall semester is March 1 and is available online at www.cochise.edu. Those students who have applied by the deadline will be notified in early March of the Nursing Entrance Test (NET), information on how to register online. The NET, which is given on various dates and campus locations in April, is a four-hour test comprised of English comprehension, science, and algebra. The cost of the NET is payable at time of registration online by credit card. Students must meet the application deadline and all application documentation must be on file in order to register for the NET. The nursing program is designated "limited entry," which means you must qualify to be admitted into the program. Candidates admitted to the program will be notified by late May for the fall semester.

The Arizona State Board of Nursing denies licenses to individuals with a felony conviction who have not been fully discharged for five years prior to applying for a license. Contact the Nursing Department or the Arizona State Board of Nursing for information regarding this regulation.

Specific information on the admission and selection procedures and dates is available through the Nursing Department. For information, contact the Nursing Department at nursing@cochise.edu or (520) 417-4016 or (520) 515-5309.

**Health Cards and Immunizations**

Cochise College requires that students at high risk for exposure to vaccine-preventable diseases be protected. Students in the following programs are potential candidates, depending on the particular course, for immunization policy requirements.

- Emergency medical technician
- Nursing
- Paramedicine
- Medical assistant

If you plan to register for one of these programs, call (520) 417-4016 or (520) 515-5309 for information about your minimum immunization requirements.

**Honors Students**

Cochise College offers an honors program for those who want an extra challenge in their educational experience. The challenges afforded by the program lead to confidence in intellectual ability and enhance the academic potential of all participants. You may apply to the honors program if you have completed 12 credits in courses from the general education curriculum leading to a degree at Cochise College, are enrolled in a degree program, and have at least a 3.5 grade point average. For information on the honors program, contact the Student Development Center at either campus.

**Disability Services**

If you are a person with a disability and require auxiliary aids, services, or other accommodations as a student at Cochise College, please contact the director of Disability Services approximately three weeks in advance of registration to discuss your accommodation needs. Call the Sierra Vista Campus at (520) 515-5337 or the Douglas Campus at (520) 417-4023.
Auditing Classes
If you wish to enroll in a course for no grade, you may audit the class. You will pay regular tuition fees, but you will not receive academic credit.

Changes in Classes
Cochise College reserves the right to eliminate, cancel, phase out, or reduce in size courses and/or programs for financial, curricular, or programmatic reasons. The college also reserves the right to make changes without notice in fees, faculty assignments, time schedules, courses, curricula, and policies; to cancel classes when necessary; to set maximum and minimum limits for enrollment in certain classes; and to make changes to other matters contained in this schedule.

RESIDENCY INFORMATION
Prop. 300/Tuition Assessment
Cochise College has revised its registration procedure for credit classes to comply with requirements of Proposition 300. Approved by Arizona voters in November 2006, Prop. 300 requires verification of eligibility for in-state tuition rates for U.S. citizens and qualifying legal immigrants.
Students will need to complete the new tuition assessment process only once. The process applies to students registering for any class beginning with summer session 2008.
It is important to know that the new law does not prevent anyone from enrolling at Cochise College. However, the law does require that students who are not citizens or legal residents pay out-of-state tuition rates.
The law further states that persons who are not citizens or legal residents are not entitled to tuition waivers, fee waivers, grants, scholarship assistance, financial aid, tuition assistance, or any type of financial assistance that is subsidized with state monies.
A printable Tuition Assessment Form, instructions for completing the form, and a list of qualifying documents to verify eligibility for in-state tuition are available online. Go to www.cochise.edu and search for Prop. 300.
Documentation can be returned to any of the college’s Admissions and Registration Offices. All faxed documentation should be sent to the attention of the registrar at (520) 515-5452, and e-mails can be sent to: admissions@cochise.edu or registration@cochise.edu.
You can check your student verification for Prop. 300 on the Cochise College Web site using the following directions:
• Go to www.cochise.edu and click on My CC Account.
• Click on the secure area and log in your personal information.
• Click on Student Services and Financial Aid.
• Click on Registration.
• Click on Check Your Registration Status.
• Select the term of your current class registration and click submit.
• Your Prop. 300 status is displayed.

Out-of-State Students
Students 18 years of age or older who have not established a domicile in Arizona for at least one year immediately prior to the first day of class will be classified as out-of-state residents for tuition purposes. Students under 18 years of age at the beginning of classes will be determined by the Arizona Revised Statutes (ARS 15-1801). Nonresident students should note that residency does not change automatically. Proper documentation must be filed with the
Admissions Office for review and approval before residency status will be changed. Requests for change in residency status are to be made prior to registration. A change in residency classification after the term begins will not take effect until the next term. Residency changes are not retroactive. For residency requirements and exceptions not listed, please refer to the Residency and Requirements section in the college catalog, ARS 15-1801 on the Arizona State Legislature Web site at www.azleg.gov/ArizonaRevisedStatutes.asp?Title=15, or contact the Sierra Vista Campus Admissions Office at (520) 515-5412 or (520) 515-5336.

**TUITION AND FEES**

All fees may change as approved by the Cochise College Governing Board. Please consult the Admissions Office or the Business Office for up-to-date information.

**Application Fee (one time)**

- SENIOR CITIZENS “GOLDEN APACHE” STUDENTS .......................... $5
- BORDER COMMUTERS .............................................................. $20
- INTERNATIONAL STUDENTS .................................................. $50
- REGISTRATION FEE (NONREFUNDABLE PER EACH SEMESTER) ........................................... $20
- TECHNOLOGY FEE (NONREFUNDABLE PER EACH SEMESTER) .............................................. $15
  (No registration or technology fee for recipients of military tuition assistance)
- TUITION PAYMENT PLAN FEE .................................................. $35

**TUITION (PER CREDIT)**

- IN-STATE ................................................................. $49

- NEW MEXICO TUITION WAIVER ........................................... $49
- SENIOR CITIZENS “GOLDEN APACHE”* .................................... 50% OF TUITION RATE
- CO-OP EDUCATION COURSES .............................................. $24

*Student must pay any lab fees and, if a new student, the one-time application fee. Tuition and fees for the second five-week session are subject to change according to 2009-10 rates approved by the Cochise College Governing Board.
### Military Personnel and Dependents

All active-duty military, guard and reserve personnel and their dependents stationed in Arizona are classified as in-state residents for the purpose of tuition. A military ID card is to be presented to verify active military or active military dependent status. For further information or assistance, contact the Admissions Office. Retired military personnel have to meet in-state residency requirements.

### Other Fees

Students registering for courses that involve added costs may be subject to fees higher than the normal registration fee. Lab fees vary according to the course. An asterisk to the right of the section number in the class listings indicates a lab fee. See the student fee information brochure that lists all current fees. It can be obtained in the Admissions and Registration Offices or Cashier’s/Business Office.

### Miscellaneous Fees

All fees are subject to change

Residence Hall Fees
DOUGLAS CAMPUS ONLY
(Subject to change)

Room and board (meals) are combined. If you live in a residence hall, you must participate in the board program. One-bedroom apartments are available for families at a rate of $350 per month, payable monthly in advance. Apartment residents do not have to purchase a meal plan. A deposit is required for a residence hall ($100) or an apartment ($150) prior to check-in. Single rooms and apartments have special requirements. Please contact the Housing Office at housing@cochise.edu or (520) 417-4062. Room and board is due at registration or by the last day to add classes in a term.

The following rates for summer room and board are based on a 19-meal plan. A 14-meal plan also is available. Call the Housing Office at (520) 417-4062 for rates.

THREE WEEKS (SPANISH IMMERSION) ............................................................. $402
FIVE-WEEK SEMESTER ........................................................................ $670
SIX WEEKS (ENGLISH IMMERSION) ...................................................... $804
EIGHT-WEEK SEMESTER ....................................................................... $1,072
FINANCIAL AID, SCHOLARSHIPS & GRANTS

Summer financial aid is limited and only available if funds remain from the regular academic year. The following funds may be available: Pell Grant and Stafford Loan (only available if you did not receive a full-time award both fall and spring terms), SEOG (Supplemental Educational Opportunity Grant), Federal Work-Study, Arizona LEAP Grant and Fry Grant. The Summer Financial Aid Application and complete instructions will be available on April 1 and must be completed and returned to the Financial Aid Office by 5 p.m. on May 14. A hold will be put on your classes (since the pay-as-you-go policy is in effect) until your summer award can be calculated and awarded. If you do not qualify for summer aid, it will then be your responsibility to pay for your classes. You must register for all summer classes by May 13. Financial aid checks will be mailed by May 20 for Summer I classes and by July 6 for Summer II classes. Late applications will be accepted and processed, but an early check disbursement will not be available.

Federal Title IV Financial Aid Refunds

Students who receive federal financial aid funds are subject to the federal refund policy. Students who completely withdraw before completing 60 percent of the term are subject to this policy and will probably owe a repayment to the federal funds. Students have 45 days to return the funds to Cochise College. If repayment is not made during the 45 days, the repayment owed will be turned over to the department of education for collection. Once a repayment is turned over to the department of education, eligibility for additional federal aid is suspended until satisfactory payment arrangements are made. Students who do not attend class are responsible for returning 100 percent of all funds received.

Veterans Assistance and Benefits

The Veterans Affairs Office provides information and assistance to students applying for VA educational benefits. The office staff also serves as liaison between Cochise College students and the Veterans’ Administration. A Semester Benefit Request form must be submitted for each semester that the veteran wants to receive benefits.

Services offered include:

- Help collecting, filling out, and filing all necessary documents and forms;
- Enrollment certification for veterans and dependents using veterans’ educational benefits; and
- Assistance in applying for other types of financial aid.

The Veterans Affairs Office is located in the Student Services Building on the Sierra Vista Campus. A counselor is also available in the One-Stop Building on the Douglas Campus. Regular office hours are observed.

TUITION WAIVER PROGRAMS

New Mexico Waiver

A special tuition agreement for full-time students exists between Cochise College and Western New Mexico University. If you are interested, you may contact the Admissions Office for more information.

Western Undergraduate Exchange (WUE) Waiver

Cochise College is a member of the Western Undergraduate Exchange (WUE) program. If you are a resident of one of the participating states: Alaska, California, Colorado, Hawaii,
Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington or Wyoming, you may be eligible for this tuition waiver for full-time students. Call the Admissions Office for more information.

**Arizona-Sonora Agreement**

Tuition waivers are available to students from Sonora through an agreement between the Arizona-Mexico Commission and the Comisión Sonora-Arizona. Qualifying students from Sonora who are studying in Arizona may pay in-state tuition for a maximum of two years. Students from Arizona who wish to study in Sonora have a series of educational and living options available. For more information, visit www.iesa.gob.mx or contact the Douglas Campus One Stop at (520) 417-4038 or (520) 417-4042.

**Senior Citizens - Golden Apache Tuition Waiver**

If you are an Arizona resident who lives in Cochise County or an adjacent unorganized county (Apache, Gila, Greenlee, and Santa Cruz Counties), and are 60 years or older, you may apply for a "Golden Apache" tuition waiver. This waiver allows a 50-percent tuition discount of the regular in-state tuition rate. You must meet in-state residency requirements for tuition purposes. Waivers cannot be accepted retroactively. Applications for the waiver may be picked up in the Admissions Office.

**PAYMENT OF FEES**

Students are required to pay all tuition and fees as the last step of the registration process. If you have been awarded financial aid, your registration will be retained, and you will not be dropped for non-payment. If you wish to drop a class, you must formally withdraw from classes. To arrange partial payments, refer to the online (Facts/E-cashier) payment plan information at www.cochise.edu or in the Payment Methods section of this schedule.

Students will not be allowed to attend class and will not receive credit for any course unless all tuition and fees have been paid. The following applies to the payment of fees:

- You are required to pay any money owed to Cochise College before being allowed to register for classes, before grades or a transcript can be issued, and before you can be certified for graduation.
- You may pay for your classes online and/or sign up for a payment plan using e-Cashier. Go to www.cochise.edu and click Pay Online to learn more and to review instructions for setting up your account.
- A check for payment of tuition and fees can only be made out for the total amount of tuition, fees and any outstanding indebtedness. Your registration is not complete until your check has cleared. If a check is returned for insufficient funds, the college will assess a service fee, and the student may be dropped from classes.
- Book purchases must be paid by cash, check or credit card at the time of purchase. If you are receiving veteran’s benefits, payment for books may be deferred after meeting with the coordinator of veterans affairs.
- All past due amounts may be sent to collections, and you will be responsible for all court costs and attorney fees.

**Payment Deadlines**

Your registration may be cancelled if your fees are not paid by the payment due date. For summer session, payments are due the same day that you register for your classes. Cochise College may not automatically drop you from unpaid classes you are attending. To avoid having an outstanding balance due, be sure to drop any class you do not wish to take.

**PAYMENT METHODS**

- Automatic bank payment
- Credit card/debit card

Payments are processed on the 5th of each month and will continue until the balance is paid in full.

**COST TO PARTICIPATE**

- $35 enrollment fee per semester (ACH and credit card)
- $2 enrollment fee for an immediate full payment
- $25 returned payment fee if a payment is returned

**TARGET DATES TO ENROLL BY**

- Full payments may be made on e-Cashier through May 30, 2009.

**Last Day to Required Down Payment Number of Months of Payments**

</tr>
</tbody>
</table>

Note: All down and full payments are processed immediately!

**e-Cashier Availability**

Availability of e-Cashier is determined by Cochise College. Please be aware the college may elect not to have e-Cashier available during specific times and dates during registration.

Please do not assume your balance will automatically be adjusted if financial aid is received or a class is dropped or added. You should review your agreement balance online through My FACTS Account or call either the Douglas Campus Cashier’s Office at (520) 417-4076 or the Sierra Vista Campus Cashier’s Office at (520) 515-5416 to confirm the change.

Have additional questions on how the payment plan works? Refer to the “Frequently Asked Questions” or “How e-Cashier Works” links located on the toolbar of e-Cashier.

For additional help, call nelnet Business Solutions at (800) 609-8056. Customer service representatives are available Monday through Thursday, 7:30 a.m. to 7 p.m. (CST) and Friday, 7:30 a.m. to 5 p.m.
Payment Methods

IN-PERSON PAYMENT

You may pay your tuition and fees in person at the Cashier/Business Office during office hours. Checks not clearing an account may result in cancellation of your registration.

PAYMENT BY PERSONAL CHECK

Pay Cochise College fees and other bills with a personal check. Cochise College does not furnish counter checks. Checks altered in any way are not accepted. A collection fee will apply for returned checks. In this case, your registration may be cancelled if payment is not met within five days after notification.

Make check payable to:
COCHISE COLLEGE
CASHIER’S OFFICE
4190 WEST HIGHWAY 80
DOUGLAS, ARIZONA 85607-6190

PAYMENT BY CREDIT CARD/TELEPHONE

Pay Cochise College tuition and fees with a credit card in person or by telephone. Cochise College honors MasterCard, Visa, Discover or American Express credit cards.

DOUGLAS CAMPUS, (520) 417-4076
SIERRA VISTA CAMPUS, (520) 515-5416

ONLINE PAYMENT/PAYMENT PLAN

Pay for your classes online and/or sign up for a payment plan using e-Cashier. Go to www.cochise.edu to learn more and to review instructions for setting up your account. There is a $35 enrollment fee per semester for automatic bank and credit card payments or a $2 enrollment fee for an immediate full payment. The earlier you sign up, the more payments you have available to you.

REFUNDS

If you make an official withdrawal from a course or from the college, you may be due a refund of tuition and laboratory fees. The registration fee and the technology fee are nonrefundable. An official withdrawal is made through the registrar, or in the case of the Benson, Willcox and Nogales/Santa Cruz Education Centers, through the center director. Students may withdraw online.

Note: Stopping payment on a check does not constitute an official withdrawal and may result in additional fees and collection costs.

If you qualify for a refund of tuition and lab fees based on the refund schedule, no additional documentation is required once written notification of withdrawal has been submitted. All refunds and deposits that may be due to you will first be applied to any fees owed the College. Credits for fees from dropped or cancelled classes may be applied to other classes added during the same semester. Fees may not be transferred from regular semester session to second eight-week session.

The refund schedule begins the day that classes officially begin and extends until the 50 percent point in time for the period of enrollment. A portion of tuition and lab fees assessed the student by the College will be refunded based on the refund schedule. The registration fee is nonrefundable, except when all of the student’s classes are cancelled by the College. Please see the refund schedule listed in this schedule.
Cancelled Classes

If a class is cancelled by Cochise College, you will receive a full refund of all fees attributable to the cancelled class(es), including tuition and lab fees (registration and technology fees are refundable when all of your classes have been cancelled by the college). No documentation is needed for refunds due to cancelled classes.

Room and Board Refunds

Students are eligible for a 50% refund of room fees if leaving residence 21 days after the first day of classes of each semester, or 21 days from the start date of a specific program in which they are enrolled. Room fees will not be reimbursed after the 21st day as specified above. Refund of meal plan fees will be prorated based on the first of the month following a student’s withdrawal from the meal plan. No refunds of meal plan fees will be granted for withdrawal after the first Monday in November for the fall semester, the first Monday in April regular spring semester, or the first Monday in May for the spring aviation programs. If you withdraw from a residence hall only, and not from the college, you must do so officially through the director of housing.

If you withdraw totally from the college, you must do so officially through Records and Registration or through your CC Account online.

Issuance of Refunds

Refunds for students receiving federal financial assistance are subject to federal regulations. All refunds will be issued by check unless fee payment was made by credit card. If fee payment was made by credit card, refunds will be credited to the credit card account. The college will begin processing refund checks after the close of registration (the last day to add classes). Please allow three weeks for processing from that date or the date the refund is created, whichever is later. Checks will be mailed to the address on file with the Registrar’s Office. Please note that no refunds will be issued in cash, and no refunds will be issued immediately upon withdrawal from a class, class cancellation, or withdrawal from a residence hall.

Refund Schedule

The refund schedule applies to all students except Title IV recipients who withdraw from all classes. Tuition and fees refund policy date of withdrawal lasts through the end of the business day.

POLICIES AND PROCEDURES

All information, including statements on tuition, fees, course offerings, admission and graduation requirements, is subject to change without notice, obligation or liability. Refer to a Cochise College Catalog for more information on student services, clubs and organizations, transfer, transcripts, graduation and other Cochise College policies.

Adding or Dropping a Class

Follow the procedures below if you wish to add a class, drop a class or change your schedule in any way. You may add/drop a class online if you have earned 12 credits at Cochise College.

- Request a drop-add form from the Student Development Center. Online students should contact the online advisor.
- Obtain the signature of an advisor and any other required signature.
- Sign the drop-add slip and submit to the Registration Office on either campus.
- Proceed to the cashier and pay tuition and fees.

For detailed information on the refund schedule for dropping a class, please see the withdrawal refund schedule.

Class Credit Limitations

The vice president for instruction has established the following maximum number of units for which a student may register:

1. Concurrently enrolled high school students: 11 units
2. Beginning freshman (first-time college student): 18 units
3. All other students:
   a. With cumulative GPA of greater than 2.49: 19 units
   b. With cumulative GPA of 2.00-2.49: 16 units
   c. With cumulative GPA less than 2.00: 12 units

   Note: Due to the nature of the Airframe and Power Plant, Professional Pilot Technology, and Prison Education vocational programs, the college exempts students enrolled in the program from the 19-unit maximum. The college also exempts cooperative education units from student load limitations.

Instructor Drop

An instructor may drop you for not attending class. The college will not refund tuition and fees if you are dropped from class for nonattendance.

Withdrawal from College

A student who wishes to totally withdraw from the college can withdraw online through their CC Account or obtain a withdrawal form from the Student Development Center or Registration Office. Upon obtaining the appropriate signatures, the form is returned to the Registration Office. Failure to officially withdraw may jeopardize the receipt of any refunds due and may further result in the assignment of a grade of “F” for all courses in which the student may be enrolled.

Obtaining Your Grades

Confidential student grades are available online. You may view and receive a copy of your grades by visiting www.cochise.edu and clicking My CC Account. Log into the secure area using your student ID and pin number. If your ID is invalid, contact advising at (520) 417-4038 or (520) 515-5483. Next, click Student Services and Financial Aid. Click Student Records. Click Final Grade. Highlight and click the proper term in the drop-down window. Click Display Grades. Click Print Screen for your copy.
Graduation

Students need to file an application for graduation with the Student Development Center and pay an application fee during the semester in which you plan to complete requirements for graduation. Deadline dates also apply to certificate applications. Diplomas will be mailed after final grades are received and records evaluated for graduation. Diplomas are ordered as marked on your application. Deadlines for filing are:

- AUGUST 2009, PRIORITY FILING: JULY 15
- AUGUST 2009, LAST DAY TO FILE: AUGUST 3
- MAY 2010 GRADUATION, PRIORITY FILING: APRIL 21
- MAY 2010 GRADUATION, LAST DAY TO FILE: MAY 12

Commencement exercises are held each year in May. If you graduated during the preceding summer or fall, you will be listed in the commencement program and may participate in the May commencement.

For detailed information on graduation requirements, consult the Cochise College catalog or check with the Student Development Center.

Personal Property

Cochise College cannot accept responsibility for the loss, theft or damage to individuals' personal property.

Statement of Equal Opportunity

Cochise College is proud to be an equal opportunity employer that does not discriminate on the basis of sex, race, age, color, religion, disability, national origin, veteran status or veteran of the Vietnam era status in the educational programs or activities which it operates. If you have a concern or discrimination grievance, contact the executive director of human resources at (520) 417-4014. Outside federal and state agencies are also available to answer your complaints.

Emergency Preparedness

As part of its emergency preparedness communications strategy, Cochise College is now offering text-based emergency notifications and updates to current employees and students via the E2Campus emergency notification system. Safety alerts, campus/center closures, delays, dismissals, and updates can be sent to a mobile phone, wireless PDA, pager or email address.

Signing up or making changes to your account is simple. However, you will need to log onto the Cochise College information system (My CC Account) before being able to access the sign up or account modification forms. Although the college offers this service free of charge, you may be responsible for any messaging charges from your cell phone company or service provider.

To get started, visit Cochise College home page at www.cochise.edu and click the Emergency Alerts link. For further questions, contact the Department of Information Technology at (520) 417-4119.
Campus Crime Report/Student Right-To-Know

According to federal statute and regulations, colleges and universities are required to prepare and distribute an annual security report. Within the report, colleges must set forth their policies on crime prevention and sex offenses and give statistics on the number of crimes reported on campus. Other reported crimes include the number of arrests for liquor law and/or drug violations and weapons possessions. The crime report is updated each September; a drug and alcohol free workplace report is updated each April. The reports may be reviewed at www.cochise.edu.

College Smoking Policy #5005

Smoking is not permitted in any college building or classroom. Outdoor smoking is limited to designated smoking areas.

Hazardous Materials

Certain courses may require students to work with potentially hazardous materials as part of their course work in the laboratory, darkroom, or workshop. Instructors will provide information on the safe handling of all materials to include upon request material safety data sheets (MSDS). If you have questions regarding the use of these materials or any required personal protective equipment, ask your instructor or a member of the specific academic department.

Student Complaints

While all complaints directed to college personnel by students are considered important and will be addressed by the respective employee, department and/or office personnel pursuant to Policy 4008 (“Student Grievances and Due Process”), only formal, written student complaints, including those sent by email, filed with the offices of the college president or the vice president for instruction/provost by current students are considered official complaints. Official complaints are documented, investigated, their resolution and/or disposition noted, with a record of such complaints maintained for no less than two years. Students and institutional personnel are hereby advised that information about these official complaints will be shared with the college’s accrediting agency, the Higher Learning Commission of the North Central Association; however, individual identities of students will be shielded without the express permission of said complainants. The complaint log is reviewed on an annual basis by the vice president for instruction/provost, who ascertains whether or not the complaints follow any particular pattern and whether or not special intervention, direction, and/or staff development may be in order to mitigate subsequent complaints or address problems with institutional quality.

Student Development Center (SDC) Services

Academic, Career, and Personal Advising

Cochise College counselors can assist you in defining your educational and career goals; planning a program of study for transfer and/or direct employment that incorporates your interests, abilities, and career goals; and directing you to other college resources. Counselors and faculty advisors provide students with academic advising through interest inventories (MBTI, Strong) and support in personal issues.

Students who are newly admitted to Cochise College on the Douglas and Sierra Vista campuses will be assigned a counselor. Students are encouraged to visit with their counselor for academic planning for the next semester. Online students and those enrolled at each center will be provided with counseling support scheduled through the SDC. Call your center for available appointments to see a counselor. All students are encouraged to visit the Student
Development Center to ensure that they receive academic support prior to class scheduling. To have adequate time for advising and transcript evaluation, see a counselor or advisor well before you register for classes.

Students who have earned 12 credits or more have the option of registering online using their CC account. If you have earned 40 credits or more, it is time to firm up your plans for graduation. For more information, contact the Douglas Campus SDC at (520) 417-4038 or the Sierra Vista Campus SDC at (520) 515-5483.

**Transfer Planning**

A statewide agreement between Arizona public community colleges and universities guarantees students two ways to transfer – using an associate degree or an AGEC general studies block. Cochise College enters into articulation agreements on a course-by-course basis and complete degree transfer. Information for transfer agreements within the state system – including the University of Arizona, Northern Arizona University and Arizona State University - is available in Student Services and online at www.aztransfer.com. Cochise College also has articulation agreements with:

- Arizona State University .................http://www.asu.edu
- Northern Arizona University .............http://home.nau.edu
- University of Arizona ....................http://www.arizona.edu
- American Military University ............http://www.amu.apus.edu
- Capella University .......................http://www.capella.edu
- Charter Oak State College .............http://www.charteroak.edu
- Embry-Riddle Aeronautical University ....http://www.erau.edu/ec
- Franklin University ......................http://www.franklin.edu
- Kansas State University at Salina ..........http://www.sal.k-state.edu
- Kaplan University .......................http://www.getinfo.kaplan.edu/index.aspx
- Northcentral University .................http://ncu.edu
- University of Phoenix ...................http://achieve.phoenix.edu
- Western International University ........http://www.wintu.edu
- Western New Mexico University ........http://www.wnmu.edu

**Course Applicability System**

The Arizona course applicability system (u.select), formerly CAS, allows students to access information online relating to course descriptions, academic programs, the Course Equivalency Guide (CEG), and student information. Visit www.aztransfer.com.

Students also have direct online access to information about transfer in the state college system. For most majors, Cochise College recommends students transfer after having completed an AGEC or associate's degree to ensure a seamless process.
ENGLISH IMMERSION (ESL)

INTENSIVE ENGLISH PROGRAM
SUMMER 2009

6 WEEKS ................................................................. JUNE 29-AUGUST 6

ENGLISH AS A SECOND LANGUAGE
A great ESL program made just for you!

SPANISH IMMERSION

DOUGLAS CAMPUS

First Session • June 1-June 22
Second Session • June 23-July 15

Advising

For early advising, students should contact the Spanish Department for an appointment. Please call (520) 417-4058 or (520) 417-4131.

Registration

Students are encouraged to register early. Early and regular registration dates for the Spanish Immersion program are the same as those for the first five-week and eight-week summer sessions. Students also can register the first day of class.

First Spanish Immersion Session
CLASSES BEGIN ...................................... JUNE 1
LAST DAY TO ADD OR REGISTER ...................... JUNE 2

Second Spanish Immersion Session
CLASSES BEGIN ..................................... JUNE 23
LAST DAY TO ADD OR REGISTER .................... JUNE 24

Program Costs

Tuition and fees are subject to change.

* Covers transportation, lodging and meals for a three-day instructional trip to Mexico.
** Covers transportation for two day trips to Mexico.
*** Does not include books and tapes. Room and board available at an additional cost. Includes one time out-of-state application fee, not applicable if attended Cochise College within the last two years. Does not include visa fee for trip to Mexico.

Room and Board

Each three-week session:

14-MEAL PLAN ........................................... $375
19-MEAL PLAN ......................................... $402
SINGLE ROOM OPTION AVAILABLE FOR THREE-WEEK SESSION.

Residence Halls-Language Immersion Programs

Students who wish to live in the residence halls must send in a housing application and $100 deposit two weeks prior to check-in. Housing applications are available from the Admissions Office or the Housing Office. Students may check into rooms from 1 to 5 p.m. the Sunday prior to the start of classes. The registration fee for the second three-week session will be waived if the student attends the first three-week session.
ADULT EDUCATION

Free, non-credit courses provide basic education for students at least 16 years of age wishing to improve skills in reading, writing, math, and English. Morning and evening classes are available in several locations in Cochise County.

ENGLISH LANGUAGE ACQUISITION (ELA)

Courses develop English proficiency and life skills for speakers of other languages, as well as promoting active community involvement. Classroom instruction is reinforced by computer lab time, which helps students gain a mastery of speaking, listening, reading, and writing.

GENERAL EDUCATION DEVELOPMENT (GED)

Courses prepare students for the GED examination. Subject areas include: language arts, math, social studies, science, and writing. Pretests are given to determine placement; simulated GED exams are used as post-tests to predict success on the official examination. Instruction is supplemented by GED computer software at most sites.

ADULT BASIC EDUCATION (ABE)

Courses develop reading, writing, math, and computer skills in context of students’ work, family, community, and higher education training goals.

Adult Education classes are free. All students must take a placement test during registration. Registration occurs approximately every eight weeks.

ACCESS ONLINE SERVICES...

Your student identification number is the key to accessing your Cochise College confidential account information. You will receive your student ID number when you are admitted, registered, or when you obtain letter notification in the mail.

If you do not have your identification number, contact the campus or center nearest you, or request help at cochiseonline.edu.

MY CC ACCOUNT

At www.cochise.edu, check My CC Account to:
- Register for classes
- Check class schedule
- Pay for classes through the e-cashier payment plan
- View financial aid status
- Check final grades
- View academic progress report
- Print an unofficial copy of transcript

To log in, follow these steps:
- Go to www.cochise.edu
- Click My CC Account
- Type in your student ID (it is a number that starts with C000...) or your SSN.
- In the next box, type in your PIN*. If you are a first-time user, your PIN* will be your birthdate (in MMDDYY format).
- Click the Login button.

CHECK YOUR COCHISE COLLEGE E-MAIL

It’s important that you check for new mail regularly to view important notifications from Cochise College.

To access your e-mail:

1. Go to www.cochise.edu
2. Click Check My E-mail
3. Click on the red link Student Web Login
4. Log in using your college e-mail address (smithj123@cochise.edu) as your username.
5. Your birthdate (in MMDDYY format) is your password.
6. Log on

ACCESS WEB STUDY

WebStudy is a web-based instructional system used for online, ITV, and traditional classes. Your instructor may post announcements, documents, and other information for your class in the WebStudy system. Your classes are automatically added to your WebStudy account at the beginning of every term.

To log into WebStudy, follow these steps:
- Go to www.cochise.edu
- Click WebStudy link
- Type in your User Name (it is your college ID number, it starts with a C00...)
- Type in your Password (it is your birthday in MMDDYY format).

IMPORTANT: Be sure your browser is set to accept COOKIES! You will not be able to log onto WebStudy unless this setting is correct. Pop-up blockers must be turned off.

*Note: You may have changed your PIN when you accessed your CC account. However, your PIN for your e-mail and WebStudy account is still your date of birth.
May 26 – Classes start!

Register
Eight-Week and First Five-Week Session
April 20 – May 13, Monday-Thursday, 7:30 a.m. - 5 p.m.; Friday, 8 a.m.-1 p.m.
