THE BASICS

WELCOME NEW STUDENTS!

Follow these easy steps to get your Cochise College experience off to a good start:

Apply for Admission
Complete an enrollment application online at cochise.edu/apply, or in person at the Admissions/Registration Office on any campus or center.

Get the Cochise College One Card
Smile! Your official college photo I.D. is the fastest, easiest way to get refunds from Financial Aid.

Grab a College Catalog
Degree, certificate, and transfer requirements, plus descriptions of every course offered by the college. Get your free catalog at the Admissions Office, the library, or online at cochise.edu/catalog.

Apply for Financial Aid, Scholarships and Grants
You’re encouraged to apply for financial aid, regardless of your parents’ financial status. Complete the FAFSA (Free Application for Federal Student Aid) online at www.fafsa.ed.gov or contact our Financial Aid office.

Take the Placement Tests
Reading, math, computer, and English tests help place you in classes where you are most likely to succeed. Testing at Fort Huachuca and the Sierra Vista Campus are by appointment only. Tests are offered at the Douglas Campus during regular business hours or by scheduling an evening test.

Attend Orientation
Learn more about campus life, college services and counseling programs. If you’re attending classes on the Douglas Campus, check out our new dorms and the Cochise Combo housing plan! Check the calendar on page two of the spring 2011 schedule for orientation dates and times.

Meet with a Counselor
Once you have your placement test scores, visit a counselor in Student Services for pre-enrollment advisement.

Register for Classes and Pay Fees
Fees must be paid at the time of enrollment. If you have been awarded financial aid, your registration will be retained, and you will not be dropped for non-payment. You can also arrange partial payments using Facts/e-Cashier through your CC account on myCochise.

Pick up Your Books
Purchase or rent new or used textbooks at Barnes and Noble on campus or through Internet resources.

WHO CAN ATTEND COCHISE COLLEGE?

YOU MAY ATTEND COCHISE COLLEGE IF YOU ARE:

• a graduate of a regionally accredited high school, or have a GED
• 18 years of age or older on or before the first day of classes,
• a transfer student in good standing from another college or university
• currently attending high school with a Concurrent Enrollment Form signed by your parent and high school counselor.

Additional admissions criteria are required for International, Aviation, and Nursing, and transfer students.

APPLYING FOR ADMISSION

Complete the Cochise College application (in English or Spanish) at www.cochise.edu/apply or at the Admissions Office. Admission to Cochise College does not guarantee enrollment in any specific course or program. Mail or bring the completed paper form to the Cochise College Admissions Office:

901 N. Colombo Ave.

SPECIAL REQUIREMENTS

Health Cards and Immunizations

Students in the following programs are potential candidates, depending on the particular course, for immunization policy requirements.

• Emergency medical technician
• Nursing
• Paramedicine
• Medical assistant

Contact the Nursing department at (520) 417-4016 for minimum immunization requirements.

OFFICE OF DISABILITY SERVICES

If you are a person with a disability and require auxiliary aids, services, or other accommodations as a student at Cochise College, please contact the Director of the Office of Disability Services.

Call the Sierra Vista Campus at (520) 515-5337 or the Douglas Campus at (520) 417-4023.
RESIDENCY INFORMATION

PROP. 300/TUITION ASSESSMENT

Proposition 300 requires eligibility verification for U.S. citizens and qualifying legal immigrants for in-state tuition rates. You only need to complete the tuition assessment process once, and while Prop 300 does not prevent anyone from enrolling at Cochise College, students who are not U.S. citizens or legal residents must pay out-of-state tuition rates.

If you are not a citizen or legal resident, you are not entitled to waivers, grants, scholarships, or any other type of financial assistance subsidized with state monies. A printable Tuition Assessment Form, instructions, and a list of qualifying documents to verify eligibility for in-state tuition are available online at www.cochise.edu/residency.

Return your documentation to the college's Admissions and Registration Office: e-mail admissions@cochise.edu

OUT-OF-STATE STUDENTS

Students 18 years of age or older who have not established a residence in Arizona for at least one year immediately prior to the first day of class are classified as out-of-state residents for tuition purposes. Residency does not change automatically, so file proper documentation for review and approval with the Admissions Office if you wish to change your residency status prior to registration. Status will change the term following approval of your request and is not retroactive.

If you are under 18 years of age at the beginning of classes, your residency status is determined by the Arizona Revised Statutes (ARS 15-1801).

For all residency requirements and exceptions, www.cochise.edu/residency or contact the Sierra Vista Campus Admissions Office at (520) 515-5336 or (520) 515-5415.
RESIDENCE HALL FEES

DOUGLAS CAMPUS ONLY (SUBJECT TO CHANGE)

Room and board (meals) are combined. If you live in a residence hall, you must participate in the board program. One-bedroom apartments are available for families at a rate of $350 per month, payable monthly in advance. Apartment residents do not have to purchase a meal plan. A deposit is required for a residence hall ($100) or an apartment ($150) prior to check-in.

Single rooms and apartments have special requirements. Contact the Housing Office at housing@cochise.edu or (520) 417-4062. Room and board is due at registration or by the last day to add classes in a term.

Students are eligible for a 50% refund of room fees if leaving residence 21 days after the first day of classes of each semester or 21 days from the start date of a specific program in which they are enrolled. Room fees will not be reimbursed after the 21st day as specified above.

ON-CAMPUS LIVING

THE COCHISE COMBO

Add it all up and college can be expensive. Even though Cochise College tuition rates are among the lowest in Arizona, we’re proud to offer the Cochise Combo on the Douglas Campus. Whether you choose to reside in the new Desert View Townhouses or in Chiricahua or Huachucha Hall, you can save big with the Cochise Combo: Enroll in and maintain a 16-hour class schedule and you’re eligible for complementary housing with the purchase of a weekly 19-meal plan for the semester. Those savings really add up! Reduced housing rates are also offered based on a 12- to 15-hour schedule and for full-time enrollment under 12 credit hours.

Refund of meal plan fees will be prorated based on the first day of the month following a student’s withdrawal from the meal plan. No refunds of meal plan fees will be granted for withdrawal after the first Monday in November for the fall semester, the first Monday in April for the spring semester, or the first Monday in May for the spring aviation programs. Any unpaid balance on student accounts is subject to collection per Administrative Policy 2019 which can be viewed at www.cochise.edu/policies.
FINANCIAL AID, SCHOLARSHIPS AND GRANTS

HOW TO APPLY

Step 1. Complete the Free Application for Federal Student Aid (FAFSA)

As soon as January 1, apply online at fafsa.ed.gov or via paper application for the following academic year. To download a paper application, visit fafsa.ed.gov or call the (800) 433-3243. If submitting the FAFSA online, obtain a PIN if you are a new applicant before submitting your application. If you’re a dependent student, at least one parent will also have to obtain a PIN to complete an online application. Use the previous year’s federal income tax forms to complete the FAFSA. The Cochise College school code is 001072.

Step 2. Contact Financial Aid

If you listed Cochise College’s school code in your FAFSA, Financial Aid will receive your report in 14 days if you applied online or four to six weeks if you submit a paper form. Call Financial Aid at (520) 417-4045 or (520)515-5417 to check on your FAFSA report, and find out if additional documents are needed to process your financial aid.

Step 3. Log on to Cochise.edu

Information about additional financial aid resources and important steps you don’t want to overlook are available at Cochise.edu/financialaid. Find out everything you need to know about Financial Aid orientation, disbursement of funds, award notification, refund dates and requirements, and more.

FEDERAL AID PROGRAMS

Federal grants – the Pell Grant, the Supplemental Education Opportunity Grant (SEOG), and the Academic Competitiveness Grant (ACG) – are generally restricted to students with high financial need. For complete eligibility requirements and other information, go to Cochise.edu/financialaid and click on “Types of Aid.”

Federal Stafford Loans

Low-interest student loans are available to help meet educational expenses, regardless of need. The loans must be repaid. You must be enrolled in a minimum of six credit hours during the term (including eight-week terms) to be eligible. Loans will automatically be offered if you indicate interest in the loan program, and you must complete the loan entrance counseling and the loan acceptance form before your loan will be certified.

LEAP

The LEAP Grant is a state program for Arizona residents with high financial need. Priority is given to students who submit the FAFSA by April 15.

Parents of Dependent Undergraduate Student Loan (PLUS)

Loans for educational expenses are available for parents of dependent students enrolled at least half time. The parent must have no adverse credit history.
Federal College Work Study

Work and earn funds to apply to your college costs – The work-study program offers jobs both on and off campus and allows flexibility in work hours. There also are institutional work-study jobs available if you do not qualify for federal aid. For more information or to apply, contact Career Services at (520) 417-4756/4752 or (520) 515-5457.

Veterans Assistance and Benefits

The Veterans Affairs Office provides information and assistance to students applying for VA educational benefits. The office staff also serves as liaison between Cochise College students and the Veterans’ Administration for submitting requests for education benefits. A Semester Benefit Request form must be submitted for each semester that the veteran wants to receive benefits. Visiting students from other institutions must submit a Parent Letter from their home institution as well as all required Cochise College forms, including the semester benefit request, before any certification can be sent to the VA. Services offered include assistance with collecting, filling out, and filing necessary forms as well as submitting enrollment certification for veterans and dependents using veterans’ educational benefits.

The Veterans Affairs Office is located in the Student Services Building on the Sierra Vista Campus. A counselor is also available in the One-Stop Building on the Douglas Campus. Regular office hours are observed.

TUITION WAIVER PROGRAMS

Contact the Admissions Office for information about tuition agreements with universities across the country, including the New Mexico Waiver offered in collaboration with Western New Mexico University and the Western Undergraduate Exchange Waiver. Sonoran students may be eligible for the Arizona-Sonora Agreement tuition waivers, made possible by the Arizona-Mexico Commission and the Comisión Sonora-Arizona. For more information, contact the Douglas Campus International Student Office at (520) 417-4038 or (520) 417-4042.

Senior Citizens - Golden Apache Tuition Waiver

If you are an Arizona resident, 60 years of age or older and living in Cochise, Apache, Gila, Greenlee, or Santa Cruz counties, you may apply for a "Golden Apache" tuition waiver, allowing a 50% in-state tuition discount. Registration fees, lab fees, bookstore charges, flight tuition and fees, and noncredit courses are not included. You must meet in-state residency requirements for tuition purposes. Waivers cannot be accepted retroactively. Applications for the waiver may be picked up in the Admissions Office.

e-Cashier Availability

Availability of e-Cashier is determined by Cochise College. Please be aware the college may elect not to have e-Cashier available during specific times and dates during registration.

Please do not assume your balance will automatically be adjusted if financial aid is received or a class is dropped or added. You should review your agreement balance online through My FACTS Account or call either the Douglas Campus Cashier’s Office at (520) 417-4076 or the Sierra Vista Campus Cashier’s Office at (520) 515-5416 to confirm the change.

Have additional questions on how the payment plan works? Refer to the “Frequently Asked Questions” or “How e-Cashier Works” links located on the toolbar of e-Cashier.

For additional help, call netBusiness Solutions at (800) 609-8056. Customer service representatives are available Monday through Thursday, 7:30 a.m. to 7 p.m. (CST) and Friday, 7:30 a.m. to 5 p.m.

POLICIES AND PROCEDURES

All information, including statements on tuition, fees, course offerings, admission and graduation requirements, is subject to change without notice, obligation or liability. Refer to the Cochise College Catalog for more information on student services, clubs and organizations, transfer, transcripts, graduation and other policies.

REFUNDS

If you make an official withdrawal from a course or from the college, you may be due a refund of tuition and laboratory fees, though registration and technology fees are nonrefundable. Official withdrawals are made online, through the registrar, or through the center directors in Benson, Willcox or Nogales/Santa Cruz Centers.

Note: Stopping payment on a check does not constitute an official withdrawal and may result in additional fees and collection costs.

If you qualify for a refund of tuition and lab, no additional documentation is required once written notification of withdrawal has been submitted. All refunds and deposits due to you will first be applied to any fees owed the college. Credits for fees from dropped or cancelled classes may be applied to other classes added during the same semester. Fees may not be transferred from regular semester session to second eight-week session.

The refund schedule begins the day that classes officially begin and extends until the halfway point for the enrolled term. A portion of tuition and lab fees will be refunded based on the refund schedule printed below. Registration fees are nonrefundable, except when all of the student’s classes are cancelled by the College.

CANCELLED CLASSES

If a class is cancelled by Cochise College, you will receive a full refund of all applicable fees. No documentation is needed for refunds due to cancelled classes.

ISSUANCE OF REFUNDS

Federal financial assistance refunds are subject to federal regulations. Refunds are issued by check unless fees were paid by credit card, in which case refunds will be credited to the credit card account. Refund checks are only processed after the close of registration (the last day to add classes).

Please allow three weeks for processing from that date or the date the refund is created, whichever is later. Checks will be mailed to the address on file with the Registrar’s Office. No refunds will be issued in cash, and no refunds will be issued immediately upon withdrawal from a class, class cancellation, or withdrawal from a residence hall.

REFUND SCHEDULE

The refund schedule applies to all students except Title IV recipients who withdraw from all classes. Tuition and fees refund policy date of withdrawal lasts through the end of the business day.

For program lengths not shown, contact Student Services for the refund schedule.
ROOM AND BOARD REFUNDS

Partial refunds on room fees are eligible if you leave student housing within 21 days after the first day of classes each semester, or with 21 days from the start date of a specific program in which you are enrolled. Complete rules and refund rates for housing and meal plans are available at www.cochise.edu/housing.

If you withdraw from a residence hall only, and not from the college, you must do so officially through the director of housing. If you withdraw totally from the college, you must do so officially through Records and Registration or online through myCochise.

ADDING OR DROPPING A CLASS

If you wish to add a class, drop a class, or change your schedule:
• Request a drop-add form from the Student Development Center
• Online students should contact the online advisor for assistance
• Obtain the signature of an advisor and any other required signature
• Sign the drop-add slip and submit to the Registration Office on either campus
• Proceed to the cashier and pay tuition and fees if applicable

For detailed information on the refund schedule for dropping a class, please see the withdrawal refund schedule. You may add/drop a class online if you have earned 12 credits at Cochise College.

CLASS CREDIT LIMITATIONS

The vice president for instruction has established the following maximum registration limits:

• Concurrently enrolled high school students: 11 units
• Beginning freshman (first-time college student): 18 units
• All other students:
  With cumulative GPA of greater than 2.49: 19 units
  With cumulative GPA of 2.00-2.49: 16 units
  With cumulative GPA less than 2.00: 12 units

Note: Due to the nature of the Professional Pilot Technology, and Prison Education vocational programs, the college exempts students enrolled in the program from the 19-unit maximum. The college also exempts cooperative education units from student load limitations.

INSTRUCTOR DROP

An instructor may drop you for not attending class. The college will not refund tuition and fees if you are dropped from class for nonattendance.

WITHDRAWAL FROM COLLEGE

If you wish to totally withdraw from the college, you can withdraw online through your CC Account and myCochise or obtain a withdrawal form from the Student Development Center or Registration Office. Failure to officially withdraw may jeopardize the receipt of any refunds due to you and may further result in the assignment of a grade of “F” for all courses in which you may be enrolled.
OBTAING YOUR GRADES

Confidential student grades are available online. You may view and receive a copy of your grades by visiting www.cochise.edu and clicking myCochise. Once you're logged in, click on Academics. If you're myCochise login is invalid, call (520)417-4119 or (520)515-8755 for assistance.

STATEMENT OF EQUAL OPPORTUNITY

Cochise College is proud to be an equal opportunity employer that does not discriminate on the basis of sex, race, age, color, religion, disability, national origin, veteran status or veteran of the Vietnam era status in the educational programs or activities which it operates. If you have a concern or discrimination grievance, contact the associate vice president for human resources at (520) 417-4014. Outside federal and state agencies are also available to answer your complaints.

EMERGENCY PREPAREDNESS

As part of its emergency preparedness communications strategy, Cochise College is now offering text-based emergency notifications and updates to current employees and students via the E2Campus emergency notification system. Safety alerts, campus/center closures, delays, dismissals, and updates can be sent to a mobile phone, wireless PDA, pager or email address.

Signing up or making changes to your account is simple. However, you will need to log onto the Cochise College information system (My CC Account) before being able to access the sign up or account modification forms. Although the college offers this service free of charge, you may be responsible for any messaging charges from your cell phone company or service provider.

To get started, visit www.cochise.edu and click the Emergency Alerts link. For further questions, contact the Department of Information Technology at (520) 417-4119.

CAMPUS CRIME REPORT/STUDENT RIGHT-TO-KNOW

As required by federal statute and regulations, Cochise College prepares an annual security report, detailing college policies on crime prevention and sex offenses, and also providing statistics covering crimes reported on campus, including the number of arrests for liquor law and/or drug violations and weapons possessions.

The crime report is updated each September; a drug and alcohol free workplace report is updated each April. Both reports may be reviewed at www.cochise.edu/security.

COLLEGE SMOKING POLICY # 5005

Smoking is not permitted in any college building or classroom, and is limited to designated outdoor smoking areas.

PERSONAL PROPERTY

Cochise College cannot accept responsibility for the loss, theft or damage to individuals' personal property.
HAZARDOUS MATERIALS

Certain courses may require you to work with potentially hazardous materials as part of your course work in the laboratory, darkroom, or workshop. Instructors can provide Material Safety Data Sheets (MSDS) that outline the safe handling of all materials. If you have questions regarding the use of these materials or any required personal protective equipment, ask your instructor or a member of the specific academic department.

STUDENT COMPLAINTS

While all complaints directed to college personnel by students are considered important and will be addressed by the respective employee, department and/or office personnel pursuant to Policy 4008 (“Student Grievances and Due Process”), only formal, written student complaints, including those sent by e-mail, filed with the offices of the college president or the vice president for instruction/provost by current students are considered official complaints.

Official complaints are documented, investigated, their resolution and/or disposition noted, with a record of such complaints maintained for no less than two years. Students and institutional personnel are hereby advised that information about these official complaints will be shared with the college’s accrediting agency, the Higher Learning Commission of the North Central Association; however, individual identities of students will be shielded without the express permission of said complainants.

The complaint log is reviewed on an annual basis by the vice president for instruction/provost, who ascertains whether or not the complaints follow any particular pattern and whether or not special intervention, direction, and/or staff development may be in order to mitigate subsequent complaints or address problems with institutional quality.

TRANSFER PLANNING

Now it’s easier than ever to transfer your Cochise College credits – up to and including the completion of your associate degree – to four-year universities within Arizona and schools across the country. For more information about these programs or other transfer opportunities available to you, contact your Cochise College advisor.
ADULT EDUCATION

Free, non-credit courses provide basic education for students at least 16 years of age wishing to improve skills in reading, writing, math, and English. Morning, afternoon and evening classes are available in several locations in Cochise County. All students must take a placement test during registration. A minimum number of students per class may be required; registration is closed when classes are filled. Sierra Vista and Douglas register approximately every eight weeks. Other classes are open entry.

ENGLISH LANGUAGE ACQUISITION (ELA)

Courses develop English proficiency and life skills for speakers of other languages, as well as active community involvement. Classroom instruction is reinforced by computer lab time, which helps students gain a mastery of speaking, listening, reading, and writing.

GENERAL EDUCATION DEVELOPMENT (GED)

Courses prepare students for the state GED examination. Subject areas include: language arts, math, social studies, science, and writing. Pretests are given to determine placement; simulated GED exams are used as post-tests to predict success on the official examination. Instruction is supplemented by GED computer software at most sites.

ADULT BASIC EDUCATION (ABE)

Courses develop reading, writing, math, and computer skills in context of students’ work, family, community, and higher education training goals.
