Family Educational Rights and Privacy Act
Cochise College shall not permit the disclosure of information from educational records or personally identifiable information contained therein other than directory information of students without the written consent of the student to any individual, agency, or organization other than in specific situations as outlined by the Family Educational Rights and Privacy Act of 1974, its amendments and the final rule of the U.S. Department of Education.

Cochise College designates the following items as directory information: student name, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, most recent previous school attended, and photograph. The college may disclose any of those items without prior written consent, unless notified in writing to the contrary by the student in advance of any request.

Students may withhold disclosure of any directory information by submitting written notification to the Admissions Office.

### Abbreviations

- **SUN**: The Shared Unique Number (SUN) System helps students identify courses that transfer as direct equivalents among Arizona's community colleges and three public universities. A SUN course's prefix and number are listed alongside the equivalent college or university course number. For more information, visit [www.azsunsystem.com](http://www.azsunsystem.com).
