

**Student Learning Outcomes Assessment
Interim Report (Year 2)**

Program/Department Name:

Degree/Certificate(s) Covered in Review:

Assessment Team Members:

Reviewed and Approved by Division Dean (sign & date)

Submitted By:

Submission Date:

SLOA Committee Review (date)

Feedback provided to program (date)

Section 1: Complete Part B of the Assessment Plan for all PLLOs assessed in year two and upload it to your program's site in Moodle.

Section 2: Complete the program information at the top of this page. Provide a narrative for all PLLOs assessed in year 2 (refer to A, B, C below). Have your dean review, approve, and sign this form before uploading it to your program's Moodle site (File Name: Interim Report_*Program Name_Date*).

A. Student Achievement of PLLOs

1. Does the percentage of students meeting the minimum proficiency target (refer to Assessment Plan Part A) indicate success? Explain why or why not.
2. Are there specific outcomes or content areas where students consistently perform well or struggle? Discuss the possible reasons for these patterns.

B. Reviewing the Assessment Process

1. Do all outcomes assessed clearly state what you expect the students to be able to do?
2. Were the outcome(s) measurable?
3. Did course assignment(s) align with the outcome being assessed?
4. Does the rubric (or assessment tool) clearly define levels of attainment?
5. Are any adjustments or improvements needed to the assessment process (including B1-4) to ensure that data are valid and reliable?

C. Continuous Improvement

1. Discuss any changes in curriculum, content, or instructional methods planned to help students better understand content and successfully achieve learning outcomes. Are any additional resources needed?
2. State actions to address areas of improvement (B5 and C1). Provide a) a timeline of action steps, b) how these actions will be achieved and c) evaluated for success.
