**Section 1:** Complete and upload Part B of the Assessment Plan workbook for all PLLOs assessed in year three to your SLOA site in Moodle.

### **Section 2:**

Submit a narrative to accompany PLLOs assessed in years 2 and 3.

- a. Analyze and discuss the assessment data, including;
  - i. student achievement of the program-level learning outcomes,
  - ii. student performance (proficiency target data)
  
- b. Based on analysis of the assessment data (a), identify and discuss program strengths and successes and any areas needing improvement within the program, courses, or learning activities.

- c. Discuss how identified areas of improvement will enhance student learning and support student success.

- d. Identify actions needed to address areas of improvement and discuss how these actions will be achieved. Provide a timeline of specific improvement actions.

Example areas of improvement *could* include; modifications to the curriculum or the program, changes in instructional practice, course modality, scheduling, pre-requisites, and/or professional development needs, resources/equipment needed, and/or staffing needs.

- e. Explain how (and when) the identified areas of improvement will be evaluated for the successful improvement of student learning outcomes.
