#### Notes:

- EDU 201 is usually offered in both the fall and the spring semesters and is a 16-week class
- EDU 222 is only offered in 16-week semesters
- EDU 230 is typically offered as an 8-week class and may be offered in both fall and spring.
- All other EDU classes are typically only offered once during the academic year in an eight-week semester aligned with what is noted above.
- \*\*Prior to enrolling in EDU 224, students must obtain a valid Arizona Identity Verified Prints (IVP) clearance card through the Arizona Department of Public Safety (fee required).
- Laboratory Science Classes: Must be two different prefixes
- MAT 154 and MAT 156 may be taken in any order.
- Students interested in following UA Pathways with an ESL endorsement need four semesters of foreign language (replace elective credit with either four semesters of Spanish, American Sign Language, or other).
- Students interested in teaching kindergarten through third grade (early childhood) replace elective credit with Early Childhood Education (ECE) classes. This will help to meet the Early Childhood Education endorsement criteria.
- Students interested in teaching secondary education should select courses in their major area as electives (e.g., students who want to teach biology should select biology courses for electives; those who want to teach math should select math courses).
