### Developmental Graduation Rates

- **FT Cochise**: Full-time Cochise College graduation rates.
- **FT Peer**: Full-time peer graduation rates.
- **PT Cochise**: Part-time Cochise College graduation rates.
- **PT Peer**: Part-time peer graduation rates.

The graph shows the percent graduating over the number of years to graduation for both full-time and part-time students, comparing Cochise College to peer institutions. The trends indicate that full-time students generally graduate at a higher rate than part-time students, with Cochise College showing a slight advantage over peers in both full-time and part-time categories.
