

**Cochise College  
District Board Policy**

**Category: All Employee Groups**

**Policy Number: 650**

**Title: Access to Internet Pornography Prohibited**

Except to the extent required in conjunction with a bona fide College approved research project or other College approved undertaking, an employee of Cochise College shall not knowingly use College owned or leased computer equipment to access, download, print or store any information infrastructure files or services that depict nudity, sexual activity, sexual excitement or ultimate sexual acts as defined in section 13-3501 of the Arizona Revised Statutes.

**Procedure 650.1**

**Access to Internet Pornography Prohibited**

Any approval to access such material prohibited by Policy 650 must be given in writing by the President and will be available for public inspection. An employee who violates this policy performs an act that is cause for discipline or dismissal of the employee and for and is considered misuse or unauthorized use of College property. Information infrastructure" means telecommunications, cable and computer networks and includes the internet, the World Wide Web, user net, bulletin board systems, on-line systems and telephone networks."
