The administration brought forward a recommendation for the Board to adopt a motion to approve Administrative Policy 1021 Public Access and Expression on College Property.

Mrs. Strain moved, and Mr. Nelson seconded a motion to approve Administrative Policy 1021 Public Access and Expression on College Property. Dr. Rottweiler led a discussion noting that the policy was created in response to Arizona Revised Statute 15—1866; each community college district governing board shall develop and adopt a policy on free expression and A.R.S. 15-1868; the community college district governing boards shall each establish a committee on free expression.

Dr. Davis reported on the policy noting both Maricopa & Yavapai Community College's attorneys prepared a draft policy that most Arizona community colleges have used as a guide to create their policy. The policy has been reviewed by the County Deputy Attorney, and he worked with Maricopa and Yavapai's attorneys during preparation of the initial draft policy.

Dr. Rottweiler noted once the Board has approved the policy, the college-formed Committee on Free Expression will meet to prepare a required annual report, which is due by December 1. The committee will consist of five individuals and they will report annually on any situation where a person's free expression was not allowed on campus. The college has not experienced any known situation where this has happened, and the report will reflect that.

Referencing the Reserving Public Areas for Public Expression section of the policy (page 5 & 6), Mr. Nelson asked if the denying of access for individuals who have a prior history with the college of engaging in a harmful way, could be broader to include a history in any location rather than just at the college. Dr. Davis will review and work on modifications, which will not need to come back before the Board for approval once the policy has been approved and established.

Mr. Quinn confirmed the committee would review, report, and revise the policy as needed, ensuring it complies with Arizona Revised Statute.

The Board unanimously approved with Board members, David DiPeso, Don Hudgins, Dennis Nelson, Tim Quinn, and Jane Strain all voting aye. MOTION CARRIED.

Dr. Rottweiler presented all student course fees with the exception of tuition, general fees, and aviation. Noting tuition and general fees would be brought back before the Board during the regular budgeting process, and aviation will be brought as an individual action item following further review. There was no further discussion by the Board. The Board
unanimously approved with Board members, David DiPeso, Don Hudgins, Dennis Nelson, Tim Quinn, and Jane Strain all voting aye. MOTION CARRIED.
