NURSING RESOURCES ONLINE

MedlinePLUS (http://www.nlm.nih.gov/medlineplus/) “MedlinePlus will direct you to information to help answer health questions. MedlinePlus brings together authoritative information from NLM, the National Institutes of Health (NIH), and other government agencies and health-related organizations. Preformulated MEDLINE searches are included in MedlinePlus and give easy access to medical journal articles. MedlinePlus also has extensive information about drugs, an illustrated medical encyclopedia, interactive patient tutorials, and the latest health news.”
National Institute of Nursing Research (http://ninr.nih.gov) “This organization's mission is to support research in nursing in clinical and community settings. It provides links to nursing organizations for various specialties and publications from national conferences and meetings.”

Pubmed (http://www.ncbi.nlm.nih.gov/entrez/)... “An index to more than 15 million citations from Medline back to the 1050’s, this website also has links to the full text of articles and nongovernmental Web resources.”

Pubmed Central (http://www.pubmedcentral.nih.gov/) “A free digital archive of life sciences journal literature, including access to the full text of more than 160 journals.”

Center for Disease Control (http://www.cdc.gov) A website promoting information on specific health and safety topics, a public image database, and national data sets on health and disease.

Center for Disease Control – Stacks (http://stacks.cdc.gov) “A free, digital archive of scientific research and literature produced by the Centers for Disease Control and Prevention (CDC). This online archive is composed of curated collections tailored for public health research needs.”

Healthfinder (http://healthfinder.gov) A consumer health information site with a hand-selected directory of the health related websites of more than 1,500 organizations.

National Quality Measures Clearinghouse (http://www.qualitymeasures.ahrq.gov) NQMC is a public resource for evidence-based quality measures and measure sets.

Medscape (http://www.medscape.com) Collections of key clinical content and specialty sites from WebbMD.

Lippincott’s NursingCenter.com (http://www.nursingcenter.com/) “Created by nurses, for nurses, Lippincott's NursingCenter.com is the premier destination site for your clinical and professional informational needs. We are committed to providing credible, current, authoritative, evidence-based resources to help you in your practice... Lippincott's NursingCenter.com is powered by more than 50 of our leading peer-reviewed nursing journals”.

Virginia Henderson International Nursing Library (http://www.nursinglibrary.org) “VHINL is a database of nursing research abstracts that have been posted in the Registry of Nursing Research by nurse researchers or collected from other nursing organizations. Visitors to the library can search for specific information on nursing topics in which they are interested.”
