Ms. Hoyos shared a quote from a student who received the Graduating Senior Scholarship Guarantee: “Throughout my school years, I have never received any incentive to do well in school besides a pat on the back and a great job. But that changed when I got this scholarship. The grant I have received gives me a boost of confidence and solidifies my drive to do well in school and to be recognized as a great student.”

3.04 Title IX Report

Dr. Wendy Davis, Vice President of Administration and Human Resources, provided an overview of Title IX and initiatives the college has in place to assist students and employees in understanding their rights and responsibilities; highlights included:

Cochise College adopted Administrative Policy 5009 Title IX compliance in 2014 and has been conducting annual, mandatory training for all employees since that time. Also, the college has an online training program for students.

The college received seven complaints last year and nine this year since September. The increase in reporting is thought to be a result of the college training and national awareness.

Dr. Davis provided Board members with a Proposed Title IX Regulation Changes Fact Sheet, noting the comment period for feedback is open through January 2019.

Dr. Rottweiler informed the Board that the college is in compliance. The proposed rule changes are coming from the Department of Education.

Responding to Mr. Nelson, Dr. Davis noted the college, along with the Student Government Association, sponsors presentations, and activities regarding Title IX and sexual harassment awareness, to include an upcoming presentation on Intrusion. Dr. Davis also informed the Board the Cleary Act Disclosure report is posted on the college website and is distributed to all students and staff annually.

3.05 2018 Strategic Vision Outcomes Report

Dr. Verlyn Fick, Executive Vice President/Provost, provided an overview of the Arizona 2018 Strategic Vision Outcomes Report. Presentation highlights included:

2018 Chiclet Chart Ask and Act Report – A companion to the 2018 Cochise College Chiclet Chart provided in the Board Packet:

• Data collected and distributed
  ○ Arizona Community Colleges 2018 Strategic Vision Outcomes Report
• Data aggregated and colorized to improve visual usage
  ○ 2018 Cochise College Chiclet Chart
• Data Analyzed to gain an understanding
  ○ 2018 Chiclet Chart Ask and Act Report
Data Utilized to guide performance improvement

Six metrics were selected for further analysis and action by a team of college administrators, deans, and staff:
- Metric #9 - Developmental Math Course Success
- Metric #10 - Developmental English Course Success
- Metric #11 - College Math Course Success after Developmental
- Metric #12 - College English Course Success after Developmental
- Metric #18 - Fall-to-Fall Retention
- Metric #26 - Transfer Rate

Examples of Information Useful In Improvement:
- What black box data is available comparing successful and unsuccessful students? (Metrics 9/10)
- What amount of time has passed between developmental coursework and the college level course(s) (Metrics 11/12)
- Is there disaggregated information by major and type of degree? (Metric 18)
- What is the level of successful transfer for students who have participated in transition programs like Cochise Cats? (Metric 26)

Examples of Current Activities/Plans:
- Embedded tutoring in developmental math/English/reading courses (Metrics 9/10)
- Provision of additional tutoring staff (Metrics 11/12)
- Graduating Senior Scholarship Guarantee fosters full-time enrollment in consecutive semesters for renewal (Metric 18)
- Transfer Out programs including Cochise Cats, ASU TAG and Cochise2NAU (Metric 26)

Suggested Goals, Timelines, Predictive Indicators:
- Metric 18 - Fall-to-Fall retention rate
  - Initial goal (2 yrs.): from 77.2% to 78.0% (state’s rate)
  - Aspirational goal (5 yrs.): from 77.2% to 80.0% (lead college’s rate)

- Leading Indicators
  - Full-time enrollment
  - College-level math and composition in the first year
  - Complete college success course, earn summer credits

The goal is to take the Chiclet Chart and use it as a beginning to an intentional data-based effort to improve some of the specific metrics at the college.

Questions and Comments:
Responding to Mr. Nelson’s question, Dr. Fick noted an aspirational goal is a bigger goal that can be obtained over a longer period of time.

Dr. Rottweiler noted if the college is going to do better, it needs to face and address the data, which is why the administration is presenting some of the weakest data to the Board. He also challenged the Board to address their self-evaluations and address areas they want to improve.
Mr. Quinn thanked Dr. Fick for his presentation and for narrowing the review of the college’s thirty-three metrics to six appropriate metrics and noted his appreciation for the clarity of the presentation. He also stated that he would like the college to measure and act upon the same selected six metrics as well as measuring the initiatives such as the 15 to Finish and the scholarship guarantee program.

4. COMMENTS FROM GOVERNING BOARD MEMBERS

Mr. Quinn turned the floor over to Governing Board members for comments.

- Mr. Nelson
  o Thanked Ms. Emmer for her efforts in decreasing the college’s default rate.
  o Expressed his appreciation for receiving a copy of the Mirage book with college art
- Mrs. Strain:
  o Wished everyone Happy Holidays and Happy New Year
- David DiPeso
  o Santa Cruz clarification – Dr. Rottweiler noted Pima can only offer less than 50% of any degree; Cochise College was able to offer the full degree course.
- Mr. Hudgins
  o Thanked everyone for a wonderful 2018 and wished everyone a Merry Christmas.
- Mr. Quinn:
  o Thanked staff for all they do to support students and for making a difference in the lives of students
