**AGREEMENT OF UNDERSTANDING**

By initialing each of the following, I, the applicant, understand:

- Willful withholding or falsification of the requested information, or failure to submit all requested forms, will indicate that I am no longer eligible for admission to the Cochise College Nursing Program and may constitute fraud and thus may result in denial of licensure by the Arizona State Board of Nursing.

- The documents listed below must be received by the Cochise College Nursing Department by March 1st for fall semester and according to the submittal requirements in order to be considered for acceptance into the Cochise College Nursing Program.

- The Cochise College Nursing Department requires a state-issued Fingerprint Clearance Card (as specified by law for participation in the clinical experiences).

- The Cochise College Nursing Department requires drug/alcohol urine screening after admission to the program.

In order to ensure proper notification of acceptance or decline into the program for a student, it is the responsibility of the student to keep the Cochise College Nursing Department informed of important changes such as a name change, a change of address, or a new telephone number.
