Title: Governing Board Emeritus Status

The Board may confer emeritus status to former Cochise College Board members in recognition of extensive and exemplary contributions to the college and the community; and offer privileges as a means of keeping them affiliated with the college, maintaining a special relationship with them and expressing gratitude for their service to the college.

Procedure: 211.1
Criteria For Selection

The Board will make decisions on conferring the designation of Emeritus Board member status on an individual basis and the award will be conferred within one year of the Board member leaving the Board. In order to be considered for Emeritus status, the Governing Board member must have served a minimum of ten (10) consecutive years on the Board. Additionally, the Governing Board member will have served on advisory boards, commissions, and other associations related to community college governance. The designation of Emeritus Board member will be announced in the form of a Board resolution.

Procedure: 211.2
Emeritus Privileges

1. Recognition by a Board resolution of Emeritus Board member status; presentation of framed resolution.
2. Invitation to Presidents Reception and annual Commencement activities, with special seating privileges and recognition.
3. Invitation to college activities and special events.
4. Receive college publications.
