1.03.4 College President

Dr. Rottweiler began his report thanking the SGA leaders, noting they demonstrate amazing resiliency and grit. Report highlights include:

Legislative Update:
- Provided the board a copy of the FY22 Budget documents, which were submitted to the Governor's Office of Strategic Planning and Budgeting with copies to JLBC by the required September 1 deadline.
  - Cochise College Statutory Formulas include:
    - $4,370,500 M&O (down $320,200)
    - $928,400 STEM (down $86,100)
    - $7,925,300 Equalization (up $698,200)
    - Total: $13,224,200 (up $291,900)
  - Budget submission only; waiting for Governor’s Office in Mid-January
- Arizona Community College Coordinating Council (AC4) is working on the legislative agenda for next year.
  - Key areas for action include Expenditure Limitation relief and potential hold harmless legislation.

Master Facilities:
- Automotive Technology Building
  - Still on schedule for mid-November completion date
- Major Projects:
  - Student Union remodel is in the last stages with completion scheduled for early October.
  - Remodeled 700 (old bookstore) on the Douglas Campus creating a large classroom space.

COVID-19 Updates:
- Fall Semester classes began on August 17 in a remote format when possible. Three weeks into the semester things seem to be running smoothly. Faculty teaching in-person classes report students eager to be face-to-face and willing to comply with social distancing and face coverings. All reports from remote learning are positive with limited technological difficulties.
- Watching closely as k-12 districts and other colleges and universities begin to open for more in person instruction. Cochise County is green in all three indicators as outlined by the Arizona Health Department.
- Enrollment as of the end of the first week of classes are down 343 headcount students or about 14%.
- Course Enrollments are down a similar 13.9%. This is non-MOS enrollments.
Revenue Shortfall:
  - Based on current trends, estimation is about a $1.8 million revenue shortfall from the approved budget. Senior administration has been watching this closely and with the decision to go remote have begun consolidating course sections and implementing a hiring “chill”, $2M potential savings.
  - Reviewed project holds for saving resources if needed.
  - Held back one percent of the three percent approved salary increase.
  - Acknowledgement and Waiver Forms—special recognition to Crystal Wheeler for leading initiative. Started with just under 1,000 (994) face-to-face students needing a waiver, and to date, have received 950 (95.6%).
  - Tracked 31 incidences of COVID-19 since June with 28 closed and 3 cases still open; no impact with the start of fall classes
  - CARES Act
    - Emergency Higher Education Relief Funds (Students)
    - Total as of September 8, 2020 — 1026 students for $1.6M

General Comments:
  - Continue to hold Zoom General Sessions – 150 participated on September 4
  - Encouraging faculty and staff to utilize the Employee Assistance Program for counseling and assistance in dealing with all things COVID.
  - Begun planning for Spring Semester. Unlike fall, where the college used flexibility as the driver, now planning for stability, predictability, and simplicity as the drivers. The college will continue to watch the trends in transmission, while planning for a balanced approach of face-to-face, remote, and on-line learning options in all disciplines. Staff is looking at facility adjustments to be able to accommodate 20 to 25 students in a safe, socially distanced classroom. This may include removing some walls to enlarge classroom capacities
  - A Community Survey related to Cochise College, higher education, and degrees and certificates will begin later in the week. Promotion of the 5-minute survey throughout the county will begin on September 9. Utilizing social media platforms, ads with Wick Communications, and a postcard with the survey link going out to residents of our smaller rural communities. While the college prefers the survey be taken digitally, the 1-800 phone number is included on the postcard so residents can call and take the survey over the phone. The survey will close on September 30.
    - Institutional Research will put together the data from the survey and administration will use the results for future college planning.
    - The survey can be found at cochise.edu/survey.
  - On September 4, City officials were invited to the Downtown Center for photos of the new Cyber Center and VR Developer Lab. Sierra Vista intends to showcase these initiatives in their marketing campaigns for new business development.
  - The college was pleased to receive a very generous donation of a fire engine for the Fire Science Program from the City of Sierra Vista.
  - Thursday, September 10, the college will hold a photo shoot with American Southwest Credit Union who donated $10,000 to the non-traditional scholarship program. This donation, coupled with the significant fund raising initiative by the foundation, has added mightily to the money the Board set aside during its annual budget retreat. The college Governing Board was visionary in this initiative and were recognized by the Foundation Board at their quarterly meeting.
  - Invited to participate in the Arizona Capital Times monthly virtual Morning Scoop on October 6. Will be joined by Mr. Jeffrey Jennings, Deputy to the Commanding General at Fort Huachuca, to talk about the partnership in developing the
Questions/Comments:
Responding to Mr. DiPeso, Dr. Rottweiler informed the board that the college would be hosting a COVID-19 testing blitz with Cochise County and the National Guard on September 25 on the Sierra Vista Campus.

Mrs. Strain inquired about the decrease in student enrollment, in which Dr. Rottweiler responded noting that a large percent of the loss is from the freshman class; a gap year for incoming freshman.

  o Adobe Spark webpage

Questions/Comments:
Mr. Quinn inquired about a feedback mechanism to capture pros and cons from training session members; responding, Dr. Dale noted that some feedback was given during chat sessions, and a survey is prepared and will be distributed in the coming weeks.

Mrs. Strain and Mr. Nelson expressed their appreciation for the presentation and amazement for making resources available to staff and faculty.

3.03 Student Success Report

Abraham Villarreal, Dean of Student Success, provided an update on academic support efforts; highlights include:

The Division of Student Success is focusing on how to best provide academic support for Cochise College students during this new learning environment.

Academic Alerts:
• Implemented in late spring, the program is an outreach tool for faculty to communicate with advisors about students experiencing challenges in the classroom.

Student Support Services:
• Tutoring
  o Offering online, face-to-face, and Zoom support
  o Working to offer laptops and hotspots to TRiO students
• Library Services
  o Offering face-to-face support, online, and fulfilling technology requests
  o All laptops and hotspots are checked out with a waitlist when more become available.
  o Computer lab space is available for students reservations
• Counseling & Advising
  o Student follow-ups throughout the semester including students on academic probation
• TRiO
  o Offering online and face-to-face support
• CPD: Student Success Strategies course
  o Provides instruction on critical areas of student development including sharing campus resources and education on growth mindset and time management.
  o Conducted a survey of approximately 400 CPD students regarding face-to-face versus online learning; still collecting data, but the trend shows that students prefer face-to-face.

The Student Success Division also includes Adult Education, MyDegreePlan, and Testing. The Student Success Strategy Committee is brainstorming ideas on how to create a comprehensive First Year Experience model for students so that the important curriculum aspects of the Student Success Strategies course are also communicated in other areas at the institution during the first year of the student experience.

Questions/Comments:
Mr. Quinn asked if student success would be setting retention goals similar to the goals set for the TRiO students; Mr. Villarreal stated the team could look at a similar model for replication. It is important to have districtwide goals for the number of student retentions, completions, and transfers.

Mr. Quinn asked if the Student Success team has an ongoing dialogue with students such as Student Government Association for advice; Mr. Villarreal noted the student success team is working with marketing to do focus groups with students. He also meets with SGA advisors regularly regarding student feedback.

Mrs. Strain led a brief discussion regarding the strategic crossover between the Faculty Support Center under Dr. Dale and the Student Success team under Mr. Villarreal. Dr. Rottweiler agreed and noted with COVID, faculty are envisioning new ways to teach their classes with some type of hybrid approach of face-to-face and online.

Dr. Rottweiler apologized for not introducing Mr. Villarreal to the board, noting Abe has stepped in the position of Dean for Student Success bringing a new perspective and energy.

Mrs. Strain inquired about the shortage of laptops for students to checkout, in which Dr. Rottweiler explained that 150 new laptops were purchased with CARES Act money. The administrative team will review remaining CARES Act funds for availability to purchase more. The college also invested significantly to provide more Wi-Fi connectivity from various parking lots throughout the district.

4. COMMENTS FROM GOVERNING BOARD MEMBERS

Mr. Nelson turned the time over to Governing Board members to provide comments/share information.
  • Mr. Quinn
    o Kudos to the tutoring center for hosting the online discussion regarding their availability to help with all subjects.
5. **ADJOURNMENT**

Mr. Nelson adjourned the meeting at 7:06 p.m.

Respectfully Submitted:

Crystal Wheeler, Executive Assistant, Office of the President

Mr. Dennis Nelson, Secretary of the Governing Board
