Welcome to Cochise College!

New Student Checklist

- APPLY FOR ADMISSION
  www.cochise.edu/admissions | adm@cochise.edu
  Complete your application online. An acceptance email and letter will be sent to you that will contain important information on how to get registered. If you have not taken any courses with Cochise College in the past year, you will need to reactivate your student status by reapplying.

- PROVIDE A GOVERNMENT ISSUE PICTURE ID
  TO ADMISSIONS & REGISTRATION
  www.cochise.edu/admissions
  Verify you are you! Provide a copy of a government issued ID card by visiting a registration office or sending it in an email to adm@cochise.edu.

- ACTIVATE YOUR MYCOCHISE STUDENT PORTAL
  my.cochise.edu
  • Username: First part of student email before the @ sign (ex: smithj123)
  • Enter first time only password (date of birth in MMDDYY format)
  • Create a new password (must be 12 characters using uppercase, lowercase, numbers and special characters)

- NEED SUPPORT PAYING FOR COLLEGE?
  www.cochise.edu/fa
  Complete the Free Application for Federal Student Aid (FAFSA) online at fafsa.gov. Cochise College school code is 001072. Use for all Cochise College campus or center locations.

- CLASS PLACEMENT
  www.cochise.edu/testing
  Cochise College no longer requires ACCUPLACER testing for class placement. Advisors will place you in your classes using multi measures (transcripts, directed self-placement and placement tests) to determine your proficiency level.
  • Complete directed self-placement for reading, english and math
  • Schedule to talk with an academic advisor
  • Nursing applicants are still required to complete the ACCUPLACER placement tests. Tests can be scheduled through the testing center.

- MEET WITH AN ACADEMIC ADVISOR
  www.cochise.edu/advising | advising@cochise.edu
  Academic advisors can assist with choosing a major, exploring career information, selecting courses and planning your degree. Visit any campus or center to meet with an advisor.

- PAY TUITION & FEES
  www.cochise.edu/payment
  Pay in person, over the phone, or online through your MyCochise student portal, or sign up for a payment plan. To set up a payment plan, go to: www.mycollegepaymentplan.com/cochise

- ATTEND NEW STUDENT ORIENTATION
  www.cochise.edu/orientation
  This is an essential first step to success at Cochise. This experience will aid you in understanding your degree/certificate requirements while connecting you to various campus resources and supports to achieve your goals!

- TAKE TITLE IX TRAINING
  my.cochise.edu
  Federal law requires Cochise College to ensure students understand their rights under Title IX. First time students are required to complete online mandatory training and pass the post-test with a 75% or higher score. Students who do not complete the training will not be able to register for the next semester. Training is located under the Helpful Links on the home page of the MyCochise student portal.

- GET YOUR SCHOOL ID CARD
  www.cochise.edu/id-card
  Visit a registration office to get your student ID Card. Remember to bring a government-issued photo ID with you.

Paying for College

Cochise College offers many different ways to pay for college, including financial aid, scholarships, and payment plans.

FINANCIAL AID
www.cochise.edu/fa  |  finaid@cochise.edu
All students seeking financial aid and/or scholarships will need to fill out the FAFSA, follow the rules and procedures associated with FAFSA and maintain satisfactory progress.

MILITARY STUDENTS
www.cochise.edu/military
fthuachuca@cochise.edu
Military students can contact an advisor at our Fort Huachuca Center by email at fthuachuca@cochise.edu for more information.

SONORAN STUDENT EXCHANGE PROGRAM FOR AGUA PRIETA, SONORA, MEXICO
www.cochise.edu/tuition
Cochise College and the Instituto Tecnológico de Agua Prieta (ITAP) have an agreement in which students can pay resident tuition rates at each institution. Please contact the Admissions Office at (520) 417-4005, (520) 417-4050, or www.cochise.edu/tuition for more information.

SONORAN AGREEMENT
Tuition applications are available to students from Sonora, Mexico through an agreement between the Arizona-Mexico Commission. For more information, visit www.azmc.org

Housing

Our Douglas Campus offers students the opportunity for a traditional college experience by living on campus. Full-time students enrolled in a minimum of 12 credits per semester are eligible to join our housing community and take advantage of all it has to offer.

Housing application, information, and rates can be found at https://www.cochise.edu/housing.

COCHISE COMBO PLUS & COMBO PLUS INTERNATIONAL
Students who enroll and maintain 15 credits per semester and purchase a meal plan qualify to live in the residence halls at no charge. Please note: housing is not available during summer semester.
Program Spotlights

Tax Preparer Certificate

Become a tax pro!

The Tax Preparer certificate will give you knowledge and skills in preparing tax returns and bookkeeping, including the use of tax and financial accounting software. Cochise College will teach you to understand tax law for individuals and businesses, and prepare you for the Enrolled Agent exam.

Combine this certification with the Business Management Associate Degree to round out your business qualifications!

Medical Billing & Coding

This is an in-demand career needed across the country. A position in Medical Billing & Coding provides flexible work settings in clinics, hospitals, or remote work.

In the medical billing and coding field you are always applying new knowledge! Insurance billing and coding guidelines, Medicare and Medicaid requirements, state and federal regulations, and healthcare standards change frequently. While coders have typical routines and tasks, these changes will keep you active and pleasantly challenged.

How to Register for Classes

Students who have completed less than 15 Cochise College credits must make an appointment with an advisor to register for classes. Schedule an appointment at advising@cochise.edu or by calling Sierra Vista Advising Office (520) 515-5483 or Douglas Advising Office (520) 417-4038.

1. Check your MyDegreePlan for your course list

my.cochise.edu

You can find a list of courses you need to register by using the MyDegreePlan tool in the MyCochise student portal. You can also monitor your academic progress toward your degree and certificate completion.

2. Search for classes

www.cochise.edu/schedule

You can search for class offerings by term, subject, and more. MyDegree Plan can also help you to monitor your academic progress towards your degree/certificate completion.

3. Register

Sign up for classes in the MyCochise student portal. You can view our registration process tutorial video at cochise.edu/register.

Please note if you haven’t taken a class with Cochise College in the past year you will need to reapply to the college.
## Instructional Methods

### Face-to-Face
Classes are offered in a traditional classroom setting which meet in-person.

### Livestream
Classes are offered in real-time (synchronous) by an instructor via a web conferencing system. All students must join the course by logging into the class conferencing system (via a computer with a webcam and microphone). Students are expected to actively participate with their instructor and the course content during the scheduled class time.

### Hybrid
Hybrid classes combine both the face-to-face and livestream instructional methods. Students may choose how they wish to engage in the course. For example, one week they may choose to attend the course in-person, another week they may choose to engage in the livestream version of the class. Class attendance within either instructional method is required.

### Online
Classes are offered online asynchronously with reading, homework, and assignments being provided throughout the week. As an asynchronous class, students are not required to attend a set scheduled class time; rather will need to meet varying course deadlines throughout the week. Online classes may also require a proctored examination (if applicable).

### HyFlex
Classes are offered by an instructor in a traditional classroom setting in person and are simultaneously delivered through a web conferencing system which will be recorded. Students may choose whether to attend class in person, livestream logged in via a computer, or watch the recorded session at a later time online. Students are responsible for all assignments due throughout the week.

<tr>
<td></td>
<td>Yes. Classrooms will be arranged to allow for social distancing measures.</td>
<td>No, all classes will be in a virtual environment. However, you will be required to be logged in virtually present in class during class times.</td>
<td>Maybe, depending on the specific class. Face-to-face will allow some students to meet in a designated campus classroom.</td>
<td>No, all classes will be in a virtual environment. However, you may need to come onto campus for a proctored exam.</td>
<td>Maybe, depending on what method the student chooses. A student could attend class in person one week, livestream the next, and online the third week.</td>
</tr>
</tbody>
</table>

Cochise College uses Moodle as its Learning Management System (LMS). Zoom is used as the web conferencing system.

These methods are a general description for Cochise College. Some instructors may choose to take advantage of combining a few of these systems to provide instruction. A list of all courses can be found in our 2022-23 Catalog.

Electrocardiogram

Never miss a beat with a Certified Electrocardiogram Technician (CET) certificate! This course will prepare you to work with EKGs in hospitals, diagnostic laboratories, and private cardiology clinics. It can also serve as a stackable credential for Medical Assisting, Phlebotomy, EMT, or CNA students who want to acquire additional skills.

Key things you will learn include 12-lead EKG acquisition, telemetry, and how to conduct cardiac stress tests. You will also be introduced to basic knowledge of medical terminology, anatomy, and physiology of the cardiovascular system.

Wildland Fire

With the growing occurrence of wildfires in the west and the shortage of wildland firefighters, this certificate is imperative to filling an urgent training gap.

Wildland firefighting agencies operate at the federal, state, and local levels where forest lands tie in with the incorporated areas. Students will receive field experience, training in the behavior of wildland fires, skills in controlling, containing, and extinguishing burning vegetation in forests or vacant public land and certification and preparation for entering the workforce.

Social & Behavioral Sciences

Why do people act and think the way they do? Explore human group behavior (Anthropology, Sociology, History, and Political Science) or individual behavior (History, Political Science, and Psychology) and uncover the answers to these questions.

This associate degree will prepare you for transfer to a university program in anthropology, history, political science, psychology, sociology, or related areas of study.

Fire Science

Make a difference. Become a firefighter.

Serve your community and help people in need with Cochise College’s Fire Science program. As one of the top programs in Arizona, our core courses include basic firefighter training and certification test preparation, fire apparatus and vehicle operation, firefighter fitness, and field experience in firefighting. The concentration is on applied learning with instructors who bring real-world experience into the classroom.

The program provides a pathway to both an Associate’s of Applied Science Degree and a certificate in Fire Science Technology.

Liberal Studies

With a Liberal Studies Degree, the sky is the limit! This degree prepares students for a seamless transfer to a university program in Communication, English, Humanities, Journalism, Philosophy, or related areas of study. Not ready to transfer to a university? Here are a few job opportunities for individuals with a Liberal Studies Degree: Journalist; Manager, Public Service worker, Government employee, and Entertainer. For more information, visit cochise.edu/degree.
