

JOB DESCRIPTION

Position Title: Facilities Office Supervisor

Department: Facilities

Employment Category: Professional Staff

Primary Location: District wide
Based on the Sierra Vista Campus

FLSA Classification: Non-exempt
Remote Work Eligible: No

Parameters: 40 hours/week; 12 months/year **Pay Grade:** PS11

Position Summary: The Facilities Office Supervisor is responsible for managing data, logistics, and maintaining software systems for facilities and maintenance operations and activities and for the oversight and support for project planning, department procurement processes, and customer service functions.

Essential Functions: As defined under the Americans with Disabilities Act, may include any of the following tasks, knowledge, skills, and other characteristics. This list is ILLUSTRATIVE ONLY, and is not a comprehensive listing of all functions and tasks performed by incumbents of this class.

Duties and Responsibilities: Within the scope of college policies and procedures, this position:

Oversees computerized maintenance management systems and databases; administers the work order and building access control programs to include module development and implementation, data entry and report generation; provides employee assistance with requests, policy requirements and use of programs; collects customer feedback and performs program evaluation and revisions to improve customer usability

Develops and manages fiscal spreadsheets for various facilities activities; contributes to the development of operational and capital budget and provides status reports for current and projected expenditures; creates resource databases for facility improvement and new construction projects; records district wide utilities usage and conducts historical comparisons to assess the effectiveness of energy savings programs

Assists with resource coordination and work scheduling of operational and capital projects; records and updates significant events, milestones and deliverables; aids with procurement, supply tracking, inventory and contractor availability; maintains status of available resources to inform decisions regarding project completion

Coordinates contracted services; arranges service dates to prevent interruptions, or minimize impact, to college functions; performs service renewal cost comparisons and recommends preferred vendor; forecasts spending patterns and recommends adjustments

Oversees purchase orders and travel requisitions; ensures sufficient details and supporting documentation are provided for order placement; contacts outside vendors to obtain price quotations, order status, payments and discrepancy resolution; assists with quote requests for products and services, including research and evaluation; assists with solicitation of competitive bids

Creates and administers the college vehicle and fuel tank use databases; oversees vehicle requests, assignments, and fuel card procedures; processes new vehicle documentation, registration, insurance and decal application; ensures maintenance and repairs to vehicles are scheduled; tracks and maintains fuel tank inventory and ensures recorded use corresponds to fuel purchases

Supervises department office staff, ensuring consistent recordkeeping and process throughout the district; maintains works schedules, leave usage, and performance evaluations

Performs other related duties as assigned
