Violation of these policies and/or laws may require immediate removal from housing as determined by the Director of Residence Life and/or the Dean of Student Services. I agree to provide at least 48-hour notice to Housing and schedule a time to check-out when I am at the end of my residential contract. I agree to clean the apartment and return all issued keys before vacating the apartment. I understand that failure to do so will result in a loss of my deposit and if necessary, additional charges.

I also understand and agree to the following - **Please check every box to indicate that you have read these expectations.**

- ☐ I understand that some of my information will be shared with my future roommate. Shared information includes my name, email address, home city/state/country (not my address), and phone number.

I understand that my deposit may be withheld if I have outstanding balances owed to the college.
- ☐ If you no longer require housing, you need to contact the Residential Life Office immediately to cancel. Failure to notify the Residential Life Office of your intentions prior to the cancellation deadline will result in the forfeiture of your deposit.
