History
Cochise College opened its doors in 1964 as one of the first community colleges in Arizona. It is located in an area rich in history and cultural diversity and has come a long way from its humble beginnings, when the administration offices were housed in the Gadsden Hotel in Douglas.

From the beginning, the college has been committed to serving citizens throughout Cochise County. Cochise College is one of Arizona’s largest rural community college, serving approximately 10,000 students annually.

The establishment of the college can be attributed to the efforts of the dedicated citizens of Cochise County, who voted in 1961 to create a community college district. A 1962 bond election resulted in the construction of the Douglas Campus, a 540-acre facility featuring unique architecture and panoramic views of the Mule and Chiricahua mountains, as well as neighboring Sonora, Mexico.

The population growth of Fort Huachuca and Sierra Vista and the increased interest in higher education created a need for a second campus in the western part of the county.

The campus in Sierra Vista evolved from a handful of temporary buildings at Buena High School in the early 1970s to the full-fledged separate campus that opened its doors to classes in 1978 at its present location on North Colombo Avenue. In partnership with Fort Huachuca, Cochise College also occupies a facility on post, providing classes and support services to active military and community-based residents.

The Benson Center opened in fall 2000 in the northwestern part of Cochise County. The Willcox Center opened in 2010 on Willcox Unified School District property in northeastern Cochise County. These centers provide a variety of programs and services throughout the region.

The development of community-directed services has included the Center for Lifelong Learning, the Small Business Development Center, the Virtual Campus, the Correctional Education Division, Adult Education, and the Center for Economic Research. The college has increased its offering of educational programs while expanding partnerships with K-12 schools, universities and local industries.
In recent years, the college has put significant resources towards facility renewal projects across the district. On both its Douglas and Sierra Vista campuses, new construction and major renovations provide space to meet the needs of 21st century learners and educators.

In addition, the college has made major technology investments in its classrooms and support areas.

Cochise College continues its journey as a learning community. This direction focuses on teaching and learning, access and diversity, and the use of technology and innovative instruction.

Cochise Colleges’ School Code is 001072

Students applying for financial aid at Cochise College must be admitted into an eligible degree or certificate program of study and must meet any other eligibility requirements for each program.

Official academic transcripts are required of all transfer students. Transcripts are evaluated and restricted enrollment enforced when applicable. Students who have not met the college's academic standards (2.0 GPA and completion of 67 percent of credits attempted) at their prior institution(s) will be evaluated with the same probation and suspension standards currently in place for Cochise College students. Students who consistently have received W and F grades may be required to complete a progress appeal.

Cochise College provides access to federal, state, and institutional financial aid through the Financial Aid Office. A number of institutional and private scholarship applications are also available. Financial aid may be awarded based on financial need, academic merit, athletic ability, or community service. The application process for most of the programs begins with completion of the Free Application for Federal Student Aid (FAFSA). Students complete the FAFSA online at www.FAFSA.gov.
To assist in completing the online application, a FAFSA worksheet is available online or from the Financial Aid Office. Priority consideration for some grants is given to applications received in the Financial Aid Office by May 31.

**Federal Pell Grants**
A Federal Pell Grant is a federal subsidy awarded to students for post-secondary education. It is a form of Federal Financial Aid awarded to undergraduate students who demonstrate financial need. Pell Grants are awarded on the basis of financial need and do not have to be repaid except in rare circumstances. They are grants awarded through participating institutions to students with financial need who have not received their first bachelor’s degree. Pell Grant amounts adjust based on a student’s enrollment. A student who withdrawals from a course or from all courses, could face repayment of the Pell Grant or a portion of the Pell Grant for not fulfilling the course requirements.

**Federal Direct Loans (Stafford Loans)**
Low-interest student loans are available to help meet educational expenses. The loans must be repaid. Students must be enrolled in a minimum of six credit hours during a term (including eight-week terms) to be eligible. Loans can also be obtained by students who do not demonstrate financial need. A student must complete loan entrance counseling, the master promissory note, and a direct loan request form before a student loan can be certified.

**Work-Study Program**
The work-study program offers students an opportunity to work up to 16 hours per week to assist with college expenses. Many of these jobs are career related and offer flexible work schedules.

Students must be enrolled at least half time, have a minimum 2.0 GPA, and maintain Satisfactory Progress to qualify for these jobs.

**Veterans Affairs**
The Veterans Affairs Office is located within the Financial Aid Office on the Sierra Vista Campus. Information concerning attendance, benefits, and procedures is available. All veterans are advised to maintain close contact with the college’s certifying official. Veterans receiving VA benefits are required to immediately report to the college’s certifying official when they add a course, drop a course or withdraw from college. Dropping or reducing enrollment may result in an overpayment of benefits by the VA and veterans may be required to repay all the money received during that term. Veterans at Cochise College may register and have their classes put on hold to allow for payment to be made by the VA or by the veteran. When a veteran enrolls they must notify the VA Office, by submitting a Semester Benefit Request form, the day they enroll or they may be dropped for non-payment of tuition. Veterans are responsible for payment of all tuition and fees, regardless of approval or denial of VA benefit payments, unless the VA pays tuition and fees directly to the school.
Scholarships
Scholarships are offered by the Cochise College Foundation each year. These scholarships are funded by private donors. Financial need, grade point average, field of study, leadership and community service may be some of the eligibility requirements. Applications are accepted early in the spring semester for scholarships to be awarded for the following academic year. Notices of other scholarships are publicized periodically. The Cochise College Scholarship Portal application can be found at www.cochise.edu/fa.

We are dedicated to helping international students at Cochise College. We are available to guide students on immigration matters (visa document questions, government paperwork, and work authorization processes), financial questions, adjustments to life in the United States, and resources at Cochise College and in the community.

The primary function of the Office of International Students Services is to provide international students advising related to immigration laws and regulations.

Available resources include:

Visa Information to assist with obtaining an initial F-1 visa, change of status, dependent visas, and other visa related needs.

Maintaining Your Status walks you through the important steps you must take as a student in order to ensure you remain “in-status.” There are five basic requirements for maintaining your status according to your F-1 visa status:

1. Be a full-time student. This means that F-1 students must pursue a full course of study and make normal progress toward completing their program of study at the school having jurisdiction over their I-20. There are some exceptions to this law, for example during a student’s last semester, but students and their DSO must submit a Reduced Course Load E-Form to SEVIS prior to being registered part-time.

2. Keep your immigration documents up-to-date.
   - Passport – Don’t let your passport expire while you are outside your country. If you are outside your country and your passport will expire within the next six months, review your embassy web information regarding passport extension procedures. If you get a new passport during your time at Cochise College, please provide a copy to your DSO for your student file.

3. Form I-94. This is your Arrival/Departure record and can be printed and saved AFTER you arrive in the U.S.
4. Be employed only when, where and for the length of time that you are authorized to be employed.

5. Keep your address up-to-date and carry your immigration documents with you.

**Form I-20** provides a general overview of the purpose of this document and explains circumstances in which a new form I-20 is required.

**SEVP, SEVIS, Recordkeeping, and Reporting** is a guide to the responsibilities of the DSOs (designated school officials) at Cochise College. Here you will find information on what the reporting requirements are for each F-1 student. For more information, visit www.cochise.edu/international.

Money Matters
Payment of Tuition and Fees

All fees approved by the governing board are subject to change. Tuition and fee information is available from the Admissions Office, the Business Office or at www.cochise.edu/tuition.

Class schedules include specific registration and payment dates. All tuition and fees are due as the final step in the registration process. Cochise College accepts checks or credit card payments. Students may also pay online in full or set up a payment plan.

If a check is returned unpaid, students will be assessed a service fee and dropped from all classes. If tuition and fees are not paid in full on or before the due date, students will be dropped from all classes and will be prohibited from any future registration until all past due accounts have been paid. Past due accounts may be turned over to a collection agency and students are liable for any collection or attorney fees.

If students have been approved to receive financial aid, it will be applied to their accounts. If the financial aid award does not cover the amount owed, students will need to pay their remaining balance. If the financial aid is more than the amount owed, students will receive a refund.

**Refunds**

**Tuition and Fee Refunds**

Students are advised to be signed up for class(es) the day prior to the course start date. To receive a full 100% refund and not have a ‘W’ grade noted on an academic transcript, students must drop a class(es) according to the refund schedule published in each semester’s class schedule. Students who drop a class after the published add/drop dates, will have a ‘W’ grade noted on their transcript and will receive a 90% refund up until the semester census date. Students who drop courses after the census date will receive no refund and a ‘W’ grade on their transcript. Please see the [Refund Request Form](#) for exceptions to this procedure.
**Residence Hall Refunds**

Students are eligible for a 50-percent refund of room fees if leaving residence within 21 days of the first day of classes for each semester or within 21 days of the start date of a specific program in which they are enrolled. Room fees will not be reimbursed after the 21st day as specified above.

Students withdrawing from the college may be eligible for a meal plan refund, prorated on a weekly basis, up to four weeks after the start of the 17-week term. Students who are enrolled in only a first or second eight-week term will be charged a prorated meal plan rate of 50 percent of a full 17-week meal plan. Departing eight-week-only students are eligible for refunds, prorated on a weekly basis, up to two weeks after the eight-week term begins. Any refund exceptions to this policy must be made in writing to the Vice President of Student Services and must contain the rationale for the request along with any documentation requested. Requests for exceptions to this policy will not be accepted by the Vice President of Student Services after 15 working days from the departure of the student.

**Flight Program Fees Refund**

At the time of registration, students are required to have secured funding for their flight/course fees for that semester/term. We recognize that funding sources will vary on an individual basis. Students are required to complete and follow all required financial aid processes, forms and documentation. Payment of flight/course fees for aviation classes are subject to the following:

- All flight/course fees are to be paid in full prior to the start of the first day of class OR students may set up a payment plan via [www.MyCollegePaymentPlan.com/Cochise](http://www.MyCollegePaymentPlan.com/Cochise).
- Failure to make required payments may result in the student being dropped from the course and/or prohibited from continuing to participate in flight training activities.
- The student assumes 100% financial responsibility for any flight/course fees incurred (used) prior to a drop, withdrawal or failure of the course(s).
- All flight/course fees associated with a specific course are required to be paid in full prior to the student being scheduled for any final course stage checks or check rides.

**Flight Program Refund Procedure**

- If a student chooses to withdraw/drop a flight course or the program, they must complete the following in order to be considered eligible for a refund under the procedure listed below:
  - Request a meeting with either the Director or Chief Instructor(s)
  - Submit a written/signed request to drop the classes/program to the Director of Aviation
- Any flight/course fees paid for a course the student has not begun activities in may be fully refunded.
- After the start of each semester/term students who withdraw or are dropped from a class may be eligible for a refund of UNUSED flight fees upon completion of a full audit of their flight activities (see refund schedule below).
• No refund will be granted if the refund request is made later than the last day of the next semester after the semester in which the class was taken. (Fall semester refunds must be requested no later than the end of the next spring term. Spring refund requests must be requested before the end of the next fall term. Summer session refunds must be requested before the end of the next fall term.)

There is no refund available after the 12th week.

NOTE: Students who drop prior to the start of the semester/term will receive a full refund of their flight/course fees.

NOTE: Tuition, housing/meal plan refunds will be honored based on the meal plan/housing and tuition refund policy of Cochise College. See these policies for details.

Federal Title IV Financial Aid Refunds

The Federal Pell Grant, Supplemental Educational Opportunity Grant (SEOG), and Federal Direct Student Loan programs are subject to this repayment provision. Students who completely withdraw before completing 60 percent of the term are subject to this policy and may owe a repayment of the unearned portion of their grant funds. Students have 45 days to return the funds to Cochise College. If repayment is not made during the 45 days, the repayment owed will be turned over to the Department of Education for collection. Once a repayment is turned over to the Department of Education, eligibility for additional federal aid is suspended until satisfactory payment arrangements are made.

The Federal Pell Grant and Supplemental Educational Opportunity Grant (SEOG) programs are subject to this repayment provision. Students who have received student loan funds are responsible for completing an exit interview and for notifying their lender of the withdrawal or dropping below 6 credits. The federal work-study program is not subject to the refund policy.

The withdrawal date is the date:

• The student began the withdrawal process prescribed by the institution;
• The student otherwise provided the school with official notification of their intent to withdraw; or
• The last date the student academically participated in the course.

The percentage of the payment period or period of enrollment completed for which assistance was awarded is calculated by dividing the total number of calendar days comprising the payment period or period of enrollment for which the assistance is awarded into the number of calendar days completed in that period as of the day the student withdrew.
Additional policy and regulatory information are available from the Financial Aid Office.

Financial Aid, Scholarships and Grants

Students applying for financial aid at Cochise College must be admitted into an eligible degree or certificate program of study and must meet any other eligibility requirements for each program.

Official academic transcripts are required of all transfer students. Transcripts are evaluated and restricted enrollment enforced when applicable. Students who have not met the college’s academic standards (2.0 GPA and completion of 67 percent of credits attempted) at the prior institution(s) will be evaluated with the same probation and suspension standards currently in place for Cochise College students. Students who consistently have received W and F grades may be required to complete a progress appeal.

Cochise College provides access to federal, state, and institutional financial aid through the Financial Aid Office. A number of institutional and private scholarship applications are also available. Financial aid may be awarded based on financial need, academic merit, athletic ability, or community service. The application process for most of the programs begins with completion of the Free Application for Federal Student Aid (FAFSA). Students complete the FAFSA online at www.FAFSA.gov. To assist in completing the online application, a FAFSA worksheet is available online or from the Financial Aid Office. Priority consideration for some grants is given to applications received in the Financial Aid Office by May 31.

Federal Pell Grants

A federal Pell Grant, unlike a loan, does not have to be repaid. It is restricted to undergraduate students. Eligibility is established by the federal government, and the grant is targeted to students with high need. The award adjusts to students’ actual enrollment status. Students never attending a course or withdrawing from all of their courses could face repayment of all received Pell Grant monies.

Federal Direct Loans (Stafford Loans)

Low-interest student loans are available to help meet educational expenses. The loans must be repaid. Students must be enrolled in a minimum of six credit hours during a term (including eight-week terms) to be eligible. Loans can also be obtained by students who do not demonstrate a need. A student must complete loan entrance counseling, the master promissory note, and a direct loan request form before a student loan can be certified.

Work-Study Program

The work-study program offers students an opportunity to work up to 16 hours per week to assist with college expenses. Many of these jobs are career related and offer flexible work schedules. Students must be enrolled at least half time, have a minimum 2.0 GPA, and maintain Satisfactory Progress to qualify for these jobs. Work-study jobs are available both on and off campus. Information on student employment is available at our website www.cochise.edu/employment.
Veterans Affairs

The Veterans Affairs Office is located within the Financial Aid Office on the Sierra Vista Campus. Information concerning attendance, benefits, and procedures is available. All veterans are advised to maintain close contact with the college’s certifying official.

Veterans receiving VA benefits are required to immediately report to the college’s certifying official when they add a course, drop a course or withdraw from college. Dropping or reducing enrollment may result in an overpayment of benefits by the VA and veterans may be required to repay all the money received during that term.

Veterans at Cochise College may register and have their classes put on hold to allow for payment to be made by the VA or the veteran. When a veteran enrolls they must notify the VA Office, by submitting a Semester Benefit Request form, the day they enroll or they may be dropped for non-payment of tuition. Veterans are responsible for payment of all tuition and fees, regardless of approval or denial of VA benefit payments, unless VA pays tuition and fees directly to the school.

Scholarships

Scholarships are offered by the Cochise College Foundation each year. These scholarships are funded by private donors. Financial need, grade point average, field of study, leadership and community service may be some of the eligibility requirements. Applications are accepted early in the spring semester for scholarships to be awarded for the following academic year. Notices of other scholarships are publicized periodically. The Cochise College Scholarship Portal application can be found at [www.cochise.edu/fa](http://www.cochise.edu/fa).
Academic Classification and Status

Classification of Students

**Freshman:** Student with fewer than 31 passing college credits.

**Sophomore:** Student with 31-60 passing units of college credit or completion of an associate’s degree.

**Junior:** Bachelor’s degree seeking students with 61-90 passing units of college credit.

**Senior:** Bachelor’s degree seeking students with 91 or more passing units of college credit.

**Full-time:** Student carrying 12 or more credits during a semester.

**Three-quarter-time:** Student carrying 9 or more but fewer than 12 credits during a semester.

**Half-time:** Student carrying 6 or more but fewer than 9 credits during a semester.

**Less than half-time:** Student carrying fewer than 6 credits during a semester.

Academic Status

**Good Standing:** A cumulative grade point average (GPA) of 2.0 or higher on a 4.0 scale.

**Probation:** After attempting 13 or more credits, a student's academic status is reviewed after each semester. A cumulative GPA below 2.0 places a student on academic probation, with the academic status noted on the student's transcript. While on probation, a student is permitted to enroll in 12 or fewer credits.

**Suspension:** If a student’s cumulative GPA falls below 2.0 for two consecutive terms, the student is suspended from school and the academic status noted on the student's transcript. A student suspended following the spring semester may not attend classes the following summer and fall terms. A student suspended following the fall semester may not attend classes the following spring and summer terms.

Teaching Modalities

Classes taught at Cochise College may employ any one of these teaching modalities:

1. **Face-to-Face (F2F):** Classes that meet physically and students are required to attend regular face-to-face sessions.

2. **Live Streaming Room-to-Room (LS):** A class where students participate in real time either in person or through a web conferencing system. All participants are required to be physically present in a Cochise College classroom or computer center and actively participate in class activities during the scheduled class times.
3. **Live Streaming Anywhere (LSA):** A class where students participate in real time through a web conferencing system. Students may utilize Cochise College computer resources to participate in the class but may also be able to join the class from other locations. All participants are required to be present and actively participate in class activities during the scheduled class times.

4. **Hybrid (F2F/LS), (F2F/ONLN), (LS/ONLN):** Classes combine two of the other methods in approximately equal proportions. Requirements for meeting will match the livestream or Face-2-Face description in addition to the online requirements.

5. **Online (ONLN):** Classes that require no on-site meetings. These classes may include one or two activities where the instructor and students meet in real time through a web conferencing system, but they are designed to be completed by students who do not need to be physically present. These classes may also require a proctored final examination.

6. **HyFlex (HYF):** Classes are offered by an instructor in a traditional classroom setting in-person and are simultaneously delivered through a web conferencing system which will be recorded. Students may choose whether to attend class in-person, livestream logged in via a computer or watch the recorded session at a later time online. Students are responsible for all assignments due throughout the week.

In addition to the above, the following types of specialized classes may be scheduled that use one or more of the teaching modalities:

1. **Modular:** A class where students complete a series of online modules and demonstrate mastery at the conclusion of each module. While these classes are somewhat self-paced, students are expected to reach specific milestones during the term of the class. Modular classes use a Face-to-Face, Online or Hybrid-Online/Face-to-Face modality.

2. **Collaborative:** Two or more independent classes where instructors conduct joint activities; for example, a reading and sociology collaboration may have reading activities assigned from sociology books. Students must register for both classes. The two classes may be taught using any of the modalities.

3. **Concurrent:** Two or more classes that meet as one. For example, a basic and advanced section of a class may meet as single class and the instructor would conduct activities appropriate for both sections. These classes can be taught using any of the modalities.

4. **Cooperative:** A class in which a student completes work-related objectives or projects that are negotiated between the student, an employer related to the student’s field of study, and an instructor. The student regularly submits assignments and other reports to the instructor. These classes are coordinated by the cooperative education office and do not follow any particular modality.

<td>Indicates the highest academic grade possible. It is reserved for accomplishment that is truly distinctive and demonstrably outstanding.</td>
</tr>
<tr>
<td>B</td>
<td>Denotes achievement considerably above acceptable standards and mastery of course materials.</td>
</tr>
<tr>
<td>C</td>
<td>Indicates a satisfactory degree of attainment and is the least acceptable standard for graduation from college or for additional studies within the discipline. This grade implies completion of the minimum outcomes identified in the course curriculum.</td>
</tr>
<tr>
<td>D</td>
<td>Denotes a limited understanding of the subject matter. This grade will not transfer to another institution of higher education and it is unacceptable for additional studies within the discipline.</td>
</tr>
<tr>
<td>F</td>
<td>Indicates inadequate or unsatisfactory attainment, serious deficiency in understanding of course material or failure to complete requirements of the course.</td>
</tr>
<tr>
<td>W</td>
<td>Indicates a withdrawal from the course by the designated drop date.</td>
</tr>
<tr>
<td>I</td>
<td>Indicates that, for a justifiable reason, a student failed to complete all requirements of the course. The instructor has the option of issuing an incomplete rather than an F to the Registration Office. The student must make up an incomplete during the succeeding semester to avoid an F. An incomplete grade is not computed in the student's GPA.</td>

<tr>
<td>AU</td>
<td>Indicates that a student will not receive a grade or credit. Registration and fee policies apply. Pass/fail classes may not be audited. Instructors give priority to students registering for credit, and they do not require audit students to take examinations or to hand in assignments. A student may change from a credit to an audit basis up to five calendar days prior to the start of finals. The drop/add procedure is used to effect such changes.</td>

Grade Point Average (GPA)

Semester grades are assigned grade points as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Points per credit earned</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4</td>
</tr>
<tr>
<td>B</td>
<td>3</td>
</tr>
<tr>
<td>C</td>
<td>2</td>
</tr>
<tr>
<td>D</td>
<td>1</td>
</tr>
<tr>
<td>F</td>
<td>0</td>
</tr>
</tbody>
</table>

For example, a three-credit course with a grade of A earns 12 grade points. The total grade points accumulated are divided by the total credits attempted (excluding W, I and AU) to determine the GPA. In determining academic standing at Cochise College, the GPA of a transfer student is computed on the basis of credits attempted at Cochise College only and does not include credits and grade points earned at another college.
Grade Reports

Cochise College has an online student grade report system for viewing and printing grades.

Grade Change

A grade that has been reported to the registrar by an instructor may be changed only by the instructor issuing the grade or by the academic dean.

Academic Honors and Honors Distinction

President's List and Dean's List

Students who complete 12 or more credits in one 16-week semester or term at Cochise College and maintain a semester GPA of 3.9 or higher are recognized as achieving high academic honors and placed on the President’s List. Students who complete 12 or more credits in one 16-week semester or term at Cochise College and maintain a semester GPA of 3.5 to 3.899 are recognized as achieving academic honors and placed on the Dean’s List.

Honors Program

General Eligibility: Students may join the Honors Program after completing 12 transfer-level credits with at least a 3.5 GPA.

Honors Distinction

Students completing 16 credits of honors coursework and having a 3.5 cumulative GPA or higher earn an Honors Program Distinction seal on their Cochise College diploma, a medallion, as well as a notation on their transcripts and in the commencement program.

Transfer to University Honors Programs

Students earning the Cochise College Honors Program Distinction are often invited to join university-level honors programs upon transfer. Scholarship opportunities are also available to honors students.
Attendance

Student attendance is a major factor in academic success. Cochise College conducts a census report on the 10th day of each semester. Students who have not attended in that time are dropped for non-attendance. Instructors are responsible for establishing specific attendance criteria for each class and communicating the criteria to students in writing during the first week of class. Instructors may drop students who exceed their limit of absences. Students who are dropped during the census or by their instructor will not receive a refund on tuition and fees. Students on college-sponsored trips may be excused; however, they are responsible for all missed assignments.

Course Repeats

A course may be repeated six times for a grade. All courses will be listed on the student's transcript with the grade received. The highest grade earned will be computed for graduation and cumulative grade point average. Students are not required to repeat a failed course unless it is a prerequisite for another course or required for graduation or transfer.

Credit Load Limitations

Maximum educational benefits accrue when students enroll for a reasonable course load. The college has established the following credit load limitations:

Beginning freshman (first-time college students) and returning students with a cumulative GPA greater than or equal to 2.00: 19 units*

Student with a cumulative GPA less than 2.00: 12* units

Concurrently enrolled high school students: 14 units.

*Students may petition the vice president for student services or designee to enroll in more units.

Final Exams

Final examinations are required and serve an important purpose in the academic process. Certain courses may call for demonstration of competency with final projects requiring more than two hours of work; these projects may serve as the final examination. Such projects must necessarily begin and end before the examination period; however, these courses must meet during the scheduled examination period for review, critique or other meaningful activity. The final examination schedule is printed in the class schedule at the beginning of each semester. Students must attend all final examinations or their instructor may issue a failing grade.

Course Withdrawal

Students may withdraw from a course by logging into my.cochise.edu or by completing a drop/add form from the Registration Office. Failing to withdraw could jeopardize the receipt of any refunds and may result in an F grade.
Academic Dishonesty

Cochise College requires students to adhere to the highest level of ethical academic conduct and has no tolerance for academic dishonesty. The college may impose serious academic sanctions as a result of academic dishonesty up to and including suspension and expulsion from a specific program or from the college. A statement regarding and defining academic dishonesty must be part of every course procedure sheet.

Academic dishonesty consists of many forms of unethical academic conduct, including, but not limited to, cheating, fabrication, plagiarism, and facilitating academic dishonesty.

1. Cheating means intentionally using or attempting to use unauthorized materials, information or study aids, as well as unauthorized devices such as cell phones and other technology.
2. Fabrication means intentional falsification of any information or citation.
3. Plagiarism means intentionally or knowingly representing the words or ideas of another as one's own.
4. Facilitating academic dishonesty means intentionally or knowingly helping another to commit an act of academic dishonesty.
5. Other forms of academic dishonesty include:
   a. Submitting work to more than one instructor for credit without disclosure and approval.
   b. Knowingly violating the terms of any academic sanction imposed for an earlier violation of Policy 3010.

Mandatory Advising

Cochise College recognizes that students are more successful when they have academic goals and career plans in place. Establishing mandatory advising for students in specific categories is an effort to assist students in establishing these critical milestones. The following student categories are those which will be required to seek advising before registration:

- Current high school students
- International students (F1 visa students) *
- All other students having between 0 and 14 earned college credits

These students are required to register for courses each semester through a counselor or advisor. An advising hold will be placed on student records which will be removed once the student has earned 15 college credits.

*International students must always meet with a counselor or advisor until they are graduated or leave the school.

Adding and Dropping Courses

Adding Classes

Students who wish to add classes to their schedule must register the day before the class begins.

Dropping Classes

Classes dropped after the last day of the drop/add period and up to five calendar days prior to the start of finals will result in a W on the student’s transcript. After this time, instructors must assign a grade of A, B, C, D or F or an incomplete (I or IW).
Wait-Listed Classes

When a student is wait-listed for a class it puts them on standby for future openings in the class. If an opening becomes available the student will receive notification through their Cochise College email. The student then has 24 hours to register for the class.

Non-Traditional Learning

A maximum of 30 credits are allowed for non-traditional learning experiences. In addition, certain departments allow students to receive credit for earned certificates if they are enrolled in a related Cochise College certificate or degree program. Non-traditional learning credits do not count toward the college residency requirement.

Advanced Placement

The Advanced Placement (AP) program offers college-level courses and examinations to high school students. AP exams are administered in high schools by the College Board each year in May. Students who receive a score of 3, 4 or 5 on an AP subject exam may be awarded college credit. Students should consult with an advisor in the Student Development Center to confirm AP credit. Information about the AP program is available on the College Board website at www.collegeboard.org. A list of available tests and their corresponding credits is available on www.aztransfer.com.

CLEP and DSST

Cochise College accepts both College Level Examination Program (CLEP) exams and DSST exams for college credits, provided satisfactory scores are attained.

Students must have completed at least one Cochise College course before CLEP or DSST credit is granted. A list of available tests and their corresponding credits is available on www.aztransfer.com. Students cannot be awarded CLEP or DSST credit for courses taken in the same subject at the same level. Conversely, students cannot receive course credit at the same or lower level if they have already received CLEP or DSST credit. More information is available in Policy 3006.3 or at www.cochise.edu/transfer-to-cochise. Cochise College may award up to 30 credits for CLEP and DSST examinations; however, other colleges and universities are not obligated to accept these credits.

Military Service Schools and MOS

The college follows the credit recommendations of the American Council on Education (ACE) for Military Occupational Specialty (MOS) training. Colleges differ on their policies related to credit allowed for military service schools. Credit granted by Cochise College does not obligate any other college or university to accept such credit.

Evaluation and posting of credits occur once a student has been admitted to Cochise College. Students may not request an official Cochise College transcript until they have registered for and completed at least three credits of Cochise College coursework with a grade designation of A, B, C, D, F, P or AU (audit). Credit earned for military service may not be used toward the college’s 16-credit residency requirement.
Degree and Certificate Requirements

Degree Requirements

A cumulative grade point average (GPA) of 2.0 or higher is required for any associate degree: Associate of Arts (AA), Associate of Arts in Elementary Education (AAEE), Associate of Business (ABUS), Associate of Science (AS), Associate of General Studies (AGS), Associate of Applied Science (AAS), Bachelor of Applied Science in Leadership, Management, and Operations (BAS-LMO), and Bachelor of Science in Nursing (BSN-NUR). All courses must be completed with a grade of C or better. A minimum of 16 credits of any associates degree granted must be completed in residency at Cochise College. Students must complete at least 30 residency credits, including a minimum of 18 upper-division (300- and 400-level courses) credits to ear a bachelor’s degree.

Additional degree requirements are found in the Degrees and Programs section of this catalog.

Bachelor’s Degree Waiver of General Education Requirements

Students who have already earned a bachelor’s degree from a regionally accredited institution and are interested in pursuing an Associate of Applied Science (AAS) degree or a second bachelor’s degree may use the prior bachelor’s degree to satisfy the general education requirements for most AAS degrees. Students should consult with an academic advisor to determine their eligibility to waive the general education requirements.

Certificate Requirements

A Certificate of Completion is awarded to students who complete a certificate program outlined in the Cochise College catalog. All courses must be completed with a grade of C or better. A minimum of 25 percent of the required credits must be taken in residency at Cochise College for each Certificate of Completion granted.

Additional Associate Degrees

Students may earn additional associate degrees at Cochise College if they complete the following for each additional degree:

- All requirements for the additional degree and
- Sixteen additional Cochise College credits not used in other Cochise College degree(s).

Graduation Application Process

Graduating students must complete and submit the online graduation application at [www.cochise.edu/advising/graduation](http://www.cochise.edu/advising/graduation). Students must notify the Records and Registration Office of any change of name or address that occurs during the application process period.

For associate and bachelor degrees, students must file their graduation application by the deadline listed in the academic calendar. Diplomas will be delayed and student names may not appear in the commencement program if students miss the deadline to file.

For certificates, students must file an application at any time during the semester they are completing the requirements for their certificate.

Diplomas and Certificates of Completion are mailed after final grades are processed, records evaluated and posted to official transcripts. Students must ensure there are no encumbrances or holds on their college account to avoid delays in distribution of their diploma or certificate.
Additional copies of student credentials (Certificates or Diplomas) can be requested through the Cochise College Graduation Technician’s office for a fee. For more information contact: graduating@cochise.edu.

Transcripts

A transcript is a copy of a student's permanent academic record. Transcript processing time is normally five business days after receiving the signed request form and payment. Archived transcripts (prior to 1985) may require additional processing time. Transcripts are mailed via first-class mail. Cochise College offers an expedited service for an additional fee. According to federal law, transcript requests must be submitted in writing and include the student’s signature; telephone requests are not honored. Transcript requests can be submitted online at www.GetMyTranscript.com or www.cochise.edu/transcripts or in person at the Admissions Office.

Transcript fees must be paid at the time the transcript request is submitted. Payment may be made by check payable to Cochise College, or by credit card. The college accepts Visa, MasterCard, Discover, and American Express.

Unofficial transcripts are strictly copies of the computerized records on file (after 1985) in the Student Information System. Unofficial transcripts are available at MyCochise or at www.cochise.edu/cc.

Student Complaints and Grievances

Students who have complaints, grievances or personal concerns about a Cochise College course, instructor or grade are encouraged to first discuss the problem with their instructor. Students who are still dissatisfied may contact the appropriate academic dean, program director, or submit a student complaint to the Vice President of Student Services.

The Arizona State Authorization Reciprocity Agreement (SARA) Council has non-academic complaint jurisdiction for distance education classes over all SARA-approved institutions in the state, including Cochise College. Academic complaints, such as grade appeals, are not reviewed by the Arizona SARA Council and should not be submitted to that organization for review. Prior to submitting a nonacademic complaint with the Arizona SARA Council, the student must complete Cochise College’s complaint process as listed above. Nonacademic complaints may be submitted at the AZ SARA website.

Student Complaint Log

All complaints directed to college personnel by students are considered important and will be addressed by the respective employee, department and/or office personnel pursuant to Policy 4008.

Complaints are documented and investigated, and their resolution and/or disposition noted, with a record of such complaints maintained for no less than two years. Information about these complaints will be shared with the college’s accrediting agency, the Higher Learning Commission of the North Central Association; however, individual identities of students will be shielded without the express permission of said complainants. The complaint log is reviewed on an annual basis by the Executive Vice President, who ascertains whether the complaints follow any particular pattern and whether special intervention, direction and/or staff development is needed to mitigate subsequent complaints or address institutional problems.

Academic Services

Student Success Center

The Student Success Centers, located on the Douglas and Sierra Vista campuses, coordinate several key services supporting student learning: academic advising, counseling, career exploration, testing, referrals for experiential learning and CTEPS programs. Academic and Career Advisors assist students in defining, planning, and achieving success by helping them develop decision-making skills and personal strengths. Students can plan their program of study, learn about work/career options, explore transfer programs, and learn about college resources.

Placement Assessment

Students entering Cochise College programs are expected to possess basic academic proficiency in English, mathematics, and reading before taking college-level courses. Those students who do not demonstrate this proficiency may need to take courses which will not necessarily count toward their degree. Lack of academic preparation is one of several factors affecting students’ ability to complete their programs in a timely fashion while maximizing the advantages of financial aid.

All new students are required to demonstrate their skill levels in English, Mathematics, and Reading prior to registration. This is usually done by taking the Directed Self Placements. Students who place at the developmental level in any of the three areas above and want to improve their skills should consult with an academic advisor to select the right courses designed to prepare them for college-level work. These courses currently include the following:

- ENG 095, Basic Writing
- ENG 096, Intermediate Writing
- MAT 081, Beginning Algebra
• MAT 091, Intermediate Algebra
• RDG 020, Basic Reading
• RDG 092, College Reading

The above developmental courses all count toward meeting full-time status for financial aid purposes but any course numbered 099 and below cannot be used to meet graduation requirements. Any student registering in his or her first developmental course(s) must enroll concurrently in CPD 150, Student Success Strategies, and complete it successfully.

English as a Second Language (ESL)

The mission of English as a Second Language (ESL) courses at Cochise College is to provide students with high-quality language instruction and cultural skills necessary for success in their academic, professional, civic, and personal lives. In ESL courses, students develop speaking, listening, reading, grammar, and writing skills that enable them to transition to remedial and college level academic programs at the college. ESL Levels I, II, and III consist of skill-building courses which prepare students for the transition into developmental coursework. ESL I courses are prerequisite to ESL II courses, ESL II courses are prerequisites to ESL III courses, and ESL III courses are prerequisite to ESL IV courses. ESL Level IV consists of additional ESL support courses along with developmental courses in English (ENG) and reading (RDG), or college level courses in ENG and RDG, appropriate to the individual student. Students in Level IV may also enroll in any course which pertains to their degree plan and for which they meet the established prerequisite.

Level III students may choose to participate in a test-out during Week 13 of the semester. The test-out will determine if they are ready to transition to college level courses, or if they need to remain in ESL courses and register for ESL Level IV in the subsequent semester. Transitioning to college level courses is not an option if the student chooses to not participate in the test-out and registration in Level IV classes will be required.

Upon completion of ESL and developmental coursework, students are prepared to advance into the academic courses of their choice.
Teach-Out Process for a Deleted Program

Almost any deleted program will have some students that are still in some stage of active pursuit of the program credential. These students must be offered an opportunity to complete the credential. This requires the submission of a good faith teach-out plan for any deleted program. This plan will need to be submitted to the Higher Learning Commission and any other accreditation bodies. This plan should include the following elements:

- reasonable timeline for the anticipated closure
- process to equitably obtain individual student's interest and intent regarding completion options
- method(s) for notifying students of the upcoming closure including reasons for the discontinuance of the program
- plan for ensuring course offerings priced at the current tuition schedule to enable student completion will be provided
- process for advising students on the best path for each individual student's completion
- timeline for removal of the program from college publications, accreditation listings and department of education approval lists

The college may choose to offer students a teach-out plan that involves an agreement with another institution that will teach-out the students.

Responsibilities of Students Involved in a Teach-Out

1. The college will assist students desiring to transfer to another institution. Once a student has transferred, they will no longer be involved in the teach-out.

2. Students who fall out of sequence in the program as a result of course failure may retake the course only if it continues to be offered at the college. The student may seek approval from the relevant dean to establish a substitution course or an equivalent from another institution.

3. Students who fail to make satisfactory academic progress and are dismissed from the program will lose their right to be involved in the teach-out.

4. Students are expected to take courses as they are offered according to the teach-out plan. Failure of students to take required courses when offered does not obligate the college to offer the courses again.

A fundamental goal of the College is to foster an environment in which its members may live and work productively together, making use of the rich resources of the College, in individual and collective pursuit of academic excellence, extracurricular accomplishment, and personal challenge. By accepting membership in Cochise College, an individual joins a community ideally characterized by free expression, free inquiry, intellectual honesty, respect for the dignity of others, and openness to constructive change.

For this goal to be achieved, the community must be a tolerant and supportive one, characterized by civility and consideration for others. AMERICAN WITH DISABILITIES ACT (POLICY 4005)

Cochise College fully recognizes all provisions of the Americans with Disabilities Act of 1991 and Section 504 of the Rehabilitation Act of 1973 which require colleges to make reasonable modifications to their policies, practices, and procedures so that people with disabilities can have access to all the goods, services, and opportunities provided to all students. The college has adopted internal grievance procedures, which follow the policy, providing for prompt and equitable resolution of complaints. Title II states, in part, that "no otherwise qualified disabled individual shall, solely by reason of such disability, be excluded for the participation in, be denied in the benefits of, or be subjected to discrimination in" programs sponsored by Cochise College.

Student Grievance and Due Process

In pursuit of academic studies and other college-sponsored activities that will promote intellectual growth and personal development, students should not be subject to unfair and improper action by any member of the college.

When a student feels that they have been subjected to unjust action or denied their rights as stipulated in published college policy or state or federal law, they can seek redress through the grievance procedure.

A grievance may be initiated by a student against an instructor, an administrator, or a member of the classified staff (students subjected to alleged misconduct by another student have recourse through Policy 4006, Social Standards).

The following actions are grounds for student grievances under Policy 4008.

1. Acts of threat, intimidation or harassment.
2. Arbitrary action or imposition of sanctions without regard to due process.

3. Violation of student rights which are described in college rules and regulations pertaining to race, color, religion, sex, national origin, age, or disability.

Redress for prejudicial or capricious decisions in the academic evaluation of a student’s performance can be sought under Policy 3011 Academic Appeals.

The Family Educational Rights and Privacy Act of 1974 (FERPA) controls access to student education records. The College’s FERPA Policy, in its entirety, is as follows:

Cochise College will make a reasonable effort to extend to students and their parents the rights granted by the act.

Definitions

For the purposes of FERPA, the college uses the following definitions of terms:

1. A student is any person who attends or has attended Cochise College.

   b. A person elected to the Governing Board.
   c. A person employed by or under contract to the college to perform a special task, such as the attorney or auditor.
2. A school official has a legitimate educational interest if the official is:
   a. Performing a task that is specified in his or her position description or by a contract agreement.
   b. Performing a task related to a student's education.
   c. Performing a task related to the discipline of a student.
   d. Providing a service or benefit relating to the student or student's family, such as health care, counseling, job placement or financial aid.
3. To officials of another school, upon written request, in which a student seeks or intends to enroll.
4. To certain officials of the U.S. Department of Education, the Comptroller General, and state and local educational authorities, in connection with certain state or federally supported education programs.
5. In connection with a student's written request for or receipt of financial aid, as necessary to determine the eligibility, amount or conditions of the financial aid, or to enforce the terms and conditions of the aid.
6. If required by a state law requiring disclosure that was adopted before November 19, 1974.
7. To organizations conducting certain studies for or on behalf of the college.
8. To accrediting organizations to carry out their functions.
9. To parents or guardians of a student who claim the student as a dependent for income tax purposes. Parents must provide a copy of the last filed income tax return form as proof of a student’s dependency prior to release of data, as well as a signed release of information form. If a student is receiving financial aid, upon written request of parent or guardians, records in the Financial Aid Office at the college may be used as proof of dependency.
10. To comply with a judicial order or a lawfully issued subpoena according to the directions of the college’s legal counsel. The college will make a reasonable attempt to notify the student in advance when non-directory information is to be released in response to subpoenas or court orders.
11. To appropriate parties in a health or safety emergency.

12. Requests by Armed Services Recruiters covered under the Solomon Act.

Disclosure of Campus Security Records
Investigative reports and other records created and maintained by campus security are not considered education records subject to FERPA. Accordingly, institutions may disclose information and records from campus security to anyone, including outside law enforcement authorities, without student consent. The college designates the Vice President of Student Services as the official responsible for communication with law enforcement units.

Record of Requests for Disclosure
The college will maintain a record of all written requests for and/or disclosure of information from a student's education records according to the schedule established by the Records Management Division, Arizona State Library, Archives and Public Records.

Directory Information
The college designates the following items as Directory Information: student name, major field of study, participation in officially recognized extracurricular activities and sports, dates of attendance, full-time or part-time enrollment, degrees received, and most recent previously attended institution. The college may disclose any of those items without prior written consent, unless notified in writing to the contrary by the student in advance of any request.

Correction of Education Records
Students have the right to ask to have records corrected that they believe are inaccurate, misleading, or in violation of their privacy rights. Following are the procedures for the correction of records:

1. A student must ask the appropriate official of the college to amend a record. In so doing, the student should identify the part of the record they want changed and specify why they believe it is inaccurate, misleading, or in violation of his or her privacy or other rights.

2. The college may comply with the request or it may decide not to comply. If it decides not to comply, the college will notify the student of the decision and advise them of their right to a hearing to challenge the information believed to be inaccurate, misleading, or in violation of the student's rights.

3. Upon written request, the college will arrange for a hearing, and notify the student, reasonably in advance, of the date, place, and time of the hearing.

4. The hearing will be conducted by the appropriate official or committee. The hearing is not a criminal or civil legal proceeding; however, the student may be accompanied by an advisor. The advisor may be an attorney; however, the advisor may not participate in the hearing. The student shall be afforded a full and fair opportunity to present evidence relevant to the issues raised in the original request to amend the student's education records. The student may be assisted by one or more individuals, including an attorney.

5. The college will prepare a written decision based solely on the evidence
presented at the hearing. The decision will include a summary of the evidence presented and the reasons for the decision.

6. If the college decides that the challenged information is not inaccurate, misleading, or in violation of the student's right of privacy, it will notify the student that they have a right to place in the record a statement commenting on the challenged information and/or a statement setting forth reasons for disagreeing with the decision.

7. The statement will be maintained as part of the student's education records as long as the contested portion is maintained. If the college discloses the contested portion of the record, it must also disclose the statement.

8. If the college decides that the information is inaccurate, misleading, or in violation of the student's right of privacy, it will amend the record and notify the student, in writing, that the record has been amended.

Cochise College is committed to the prevention of alcohol and drug abuse, recognizing that the abuse of alcohol or other drugs poses serious risks to a person's health. Cochise College conforms with and supports all federal, state, and local laws, and regulations that prohibit the unlawful manufacture, distribution, dispensation, possession, or use of alcohol or any prohibited or controlled substance at any college location.

Students registered at Cochise College assume an obligation to conduct themselves in a manner compatible with the college's function as an educational institution and are expected to exercise personal
responsibility and make informed choices concerning the use and misuse of alcohol and illicit drugs. Cochise College will impose disciplinary sanctions that include, but are not limited to, verbal or written reprimands, disciplinary probation, removal from classes, suspension, expulsion, or possible referral to local, state, or federal law enforcement agencies, for any unlawful on-campus manufacture, distribution, use, or possession of alcohol or any prohibited controlled substance.

MEDICAL MARIJUANA (POLICY 5003.2)

Arizona State Law permits the use of medical and recreational marijuana; however, federal law prohibits marijuana use, possession, and/or cultivation at educational institutions who are recipients of federal funds. The use, possession, or cultivation of marijuana for medical or recreational purposes is, therefore, not allowed in college housing or on college property, nor is it allowed at any college sponsored event or activity on or off campus.

POSSESSION OF DANGEROUS OBJECTS OR WEAPONS (POLICY 5007)

Cochise College forbids the possession of firearms, ammunition, explosives, and/or other dangerous weapons (including, but not limited to, bows and arrows, bb/pellet, air soft or paint ball guns, or any other implements that could be considered dangerous) on the college campus, except as carried by law enforcement or security officers who are on campus in an official capacity.

Cochise College prohibits any discrimination as defined by Title IX of the Education Amendments of 1972 including, but not limited to, sex and/or gender-based discrimination, sexual harassment, sexual misconduct, and sexual violence towards its employees and students by supervisors, other employees and students, and the general public. Behaviors considered to be sexual harassment include the following: sexual assault, domestic violence, dating violence, stalking, and/or unwelcome physical touching, verbal insults and/or sexually explicit suggestions or rumors designed to cause emotional distress, interference with an individual’s work or study performance, or create an intimidating, hostile and/or offensive work or educational environment. Such acts can interfere with a student’s ability to participate in or benefit from the college’s academic and non-academic programs, an employee’s ability to function in the workplace, or a campus visitor’s ability to utilize the college. Accordingly, these behaviors are strictly prohibited.

Cochise College Administrative Policy 1029 Title IX and Sexual Harassment Compliance describes the college’s policy and procedures in detail. In an effort to ensure broad scale awareness of students’ rights and responsibilities under Title IX, the college conducts training for students, required to be taken within the first six months following initial registration. Students shall receive two notices to complete the training within the six-month period. Failure to complete the required training shall result in the student being unable to register for classes following the six-month period until the training has been completed.
Cochise College does not discriminate on the basis of sex and prohibits sex discrimination in any education program or activity that it operates, as required by Title IX and its regulations, including in admission and employment.

SOCIAL STANDARDS POLICY 4006

The Cochise College Vice President of Student Services or designee shall make available a Student Handbook. Social Standards of the college shall be included in the handbook. Responsibilities for upholding the Social Standards shall be vested in the Office of the Vice President of Student Services, which shall adjudicate incidents of misconduct and violation of Social Standards. (NOTE: Academic Appeals are administered through Policy 3011 Academic Appeals).

1. Purpose (Procedure 4006.1)

The purpose of this policy is to provide an orderly, stable college community in which the freedoms and responsibilities of its members may be protected. This policy will allow the college to accomplish its primary purpose and to carry out its normal activities without obstruction.

Further, the intent of Social Standards is to set forth in a clear, concise and uniform manner the rights and responsibilities of the members of the college community. The college prohibits any student behavior or activity which has the potential for degrading or creating harm to any student or interferes with the educational process. It specifies administrative procedure whereby those who are accused of violating college rules may be afforded due process and, if evidence warrants, a speedy, fair and just hearing.
A college disciplinary hearing is not a criminal proceeding. There is no legal basis for any claims of double jeopardy or right of immunity. A violation by a member of the college community of criminal law, which brings the college into disrepute, seriously affects or disrupts the ability of the college to carry out its normal activities, or which endangers other members of the college community, or their property, shall be considered of legitimate interest to the college.
2. **Due Process (Procedure 4006.2)**

Due process is a series of procedures involving protection of the rights of an individual while determining their liability for wrongdoing and the applicability of punishment. As the punishment should fit the offense, so must the process protect an accused person from arbitrary, capricious adjudication procedures and sanctions.

An accused student, in the case of an administrative hearing held by the Vice President of Student Services, shall be entitled to:

1. Written notification of the time and place of the hearing with sufficient time provided for preparation of a defense. Such notification shall be given within 48 hours after the Vice President of Student Services is notified of the incident unless circumstances dictate otherwise. In the absence of the Vice President of Student Services, a designee may be assigned.

2. Written statement of charges outlining time, place, date, nature of offense, and names of witnesses and complainants.

3. Not appear at the formal hearing, but if they choose not to appear, the formal hearing shall proceed to consider the case.

4. An advisor of their choice to assist in their defense. The advisor can help advise the student but cannot take part in the formal hearing.

5. Testify on their own behalf, but they are not required to do so.

6. The opportunity to admit or deny the allegation(s).

7. Two persons of their own choice present at the hearing as observers.

8. Ask questions of the hearing officer or body and witnesses present at the hearing.

9. An explanation of the procedure and reasons for any judgment rendered, and the appeals procedures.

10. A reasonably expeditious hearing of their case.

3. **Complaint, Incident Report, Charges (Procedure 4006.3)**

The Executive Vice President delegates responsibility for administering Social Standards to the Vice President of Student Services. All alleged violations of Social Standards should be referred to the Vice President of Student Services. The Vice President of Student Services shall review complaints and reports pertaining to the alleged violation(s) and take one or more of the following courses of action:

1. Dismiss the allegation.

2. Proceed administratively as described herein.

3. Refer the matter to another disciplinary board.

Pending final action on charges, including appeals, the student’s status at the institution shall not be altered except in cases, which, in the judgment of the Vice President of Student Services, their continued presence on campus constitutes a serious threat to the college community, or to property of the college.
If a student is charged with violation of a local, state or federal law, said alleged violation occurring off campus, any action by the college shall be postponed until the courts have adjudicated the matter, unless the act committed by the student presents a clear and present danger to the college or college property.

The college reserves the right, in cases in which it is decided that persons, property, or peace be seriously endangered, to take its own action. The Vice President of Student Services shall make such a decision.

4. Administrative Action - Vice President of Student Services (Procedure 4006.4)

1. The results of any administrative action will be communicated to the student through written notification by the Vice President of Student Services. The student will be responsible for obtaining all notifications at the respective campus security office or College Center office. The student will be given a date and time when the notification will be available at the campus security office or a College Center office by the Vice President of Student Services at the conclusion of any administrative action. The student will also be given a written affidavit from the Vice President of Student Services indicating the period available to file a written appeal of the administrative action, and when and where to pick up the written notification of the administrative action. The student will be required to sign and date an affidavit signifying acknowledgement of the appeal period and responsibility to obtain the written notification. Failure to follow these guidelines will result in forfeiture of the right of appeal. (See appeal procedure 4006.6)

2. Informal Discussion. A method of informal discussion, questioning and advising, particularly in cases where the incident and subjects of the incident are not clearly defined or if the incident is of an especially minor nature. Should such measures prove to be ineffective, or through discovery yield more pertinent information on the incident, the Vice President of Student Services may proceed with a formal administrative hearing or refer the matter to another disciplinary board.

3. Administrative Hearing. The Vice President of Student Services, after reviewing the complaint or incident report, may choose to hear the matter administratively. Following all elements of due process and after hearing from all individuals involved in the case, the Vice President of Student Services shall either dismiss the case or render an oral judgment with sanctions. Proceedings of an administrative hearing shall not be open to the public unless requested by the student and shall involve only those individuals summoned by the Vice President of Student Services or requested by the student, including a recording secretary. All testimony, including the judgment and sanctions, shall be held in strict confidence. All written documents pertinent to the case shall be held in a confidential discipline file until the student terminates attendance at Cochise College. There shall be a single verbatim record, such as a tape recording, of all administrative hearings. The record shall be the property of the college and/or District. A letter of record delineating disposition of the case and any imposed sanction shall be sent to the student within 5 working days after completion of the hearing. The letter shall also describe the appeal procedure.
4. **Social Standards Board.** The Vice President of Student Services may choose to form a Social Standards Board. This board will generally hear cases involving any activity, which is severe enough to place the student in jeopardy of serious disciplinary action, such as suspension or dismissal from the college. The three to five-member board shall include the Vice President of Student Services, to serve as chairperson, faculty members and at least one student.

   a. A voting quorum of three board members shall be required for the hearing to be conduct.
   b. The chairperson shall record accurate minutes of the proceedings.
   c. The proceedings of the Social Standards Board shall not be open to the public or the press, and all attending the meeting shall hold discussions in strict confidence.
   d. After hearing from all involved with the case, the Board shall deliberate in private to determine a recommended action.
   e. The student and his/her representative shall be recalled to the hearing room, and the recommended action shall be presented to the student by the chairperson of the Board.
   f. The Vice President of Student Services shall be responsible for implementing the sanction(s) of the Social Standards Board.

5. **Residence Hall Administrative Hearings (Procedure 4006.5)**

   The Director of Residential Life shall conduct hearings involving resident student violations within and around the residence halls. The Director of Residential Life may administer hall probation, fines or other appropriate sanctions (i.e., community service). The Director of Residential Life may also suspend or dismiss a student from the residence halls.

6. **Appeal (Procedure 4006.6)**

   1. A student shall have the right to appeal the sanctions of a hearing body or Vice President of Student Services. The Student has three (3) working days upon receipt of the administrative action to provide written request of appeal. The appeal must be based on one or more of the following:
   a. Denial of due process.
   b. Discrimination.
   c. Denial of constitutional or statutory rights.
   d. Clearly unreasonable, arbitrary, or capricious methods used in the adjudication of the matter.
   e. Excessively severe sanction. These criteria are based on sanctions(s) being inconsistent with sanctions applied to previous hearing of similar infractions/offenses. The EVP will determine to grant or deny an appeal after examining the consistency of sanctions applied by the Vice President of Student Services.
   f. Newly discovered evidence, which, with reasonable diligence, could not have been produced at the hearing.
2. Appeals of decisions made by the Residence Hall Hearing shall be made to the Vice President of Student Services. The Vice President of Student Services' decision is final with no recourse of appeal.

3. Appeals for a new hearing will not be granted unless one or more of the criteria is satisfied.

4. Appeals from the Social Standards Board or Vice President of Student Services are appealed to the EVP.

5. Appeals that are denied require a written statement of rationale to the student.

7. Disciplinary Sanctions (Procedure 4006.7)

The following sanctions may be imposed by:

1. Residence Hall Hearing Chair/Director of Residential Life
   a. Admonition - An oral statement to a student that he/she is violating or has violated institutional rules or regulations.
   b. Warning - A written notice that continuation or repetition of misconduct may result in more severe disciplinary action.
   c. Restitution - A written notice ordering reimbursement, which may include work assignments, for damage to, misappropriation of, or misuse of college property.
   d. Loss of Privileges - A written notice stating loss of specific privileges, such as visitation privileges in the residence hall, cafeteria usage, parking on campus, or attendance at college functions, and removal from the residence hall.

2. Social Standards Board/Vice President of Student Services
   a. Disciplinary Probation - Written notice for violation of specific regulations, including the probability of more severe disciplinary sanctions, which can result in suspension or dismissal in the event of finding of a violation of any institutional regulation within a stated period of time.
   b. Suspension - Exclusion from class, or other activities or privileges as set forth in the notice for a definite period of time not to exceed one year.
   c. Expulsion - Termination of student status within the institution.

3. Disciplinary action, including suspension for a time period commensurate to the circumstances, may be taken immediately in an emergency situation without advance notice or a college hearing if the welfare of the individual, other persons, or college property is endangered or if disruption of educational activities is threatened or is in progress. In the event of such suspension or expulsion, the student shall have the right to a hearing to appeal this action if he/she indicates a desire for such hearing, in writing, to the Executive Vice President within five working days after receiving notification that the suspension or expulsion has occurred. Otherwise, the student's right to appeal shall be waived and the original decision shall stand pending a hearing.
8. Medical Withdrawals (Procedure 4006.8)

1. Voluntary Medical Withdrawal – A student, in conjunction with the Vice President of Student Services may choose to withdraw due to medical issues resulting in aberrant or serious student behavior.

2. Involuntary Medical Withdrawal – The Vice President of Student Services, in conjunction with the C.A.R.E.S Team (Behavioral Intervention Team) may initiate the withdrawal process when student behavior is of a serious nature.
   
   a. The Vice President of Student Services, in conjunction with the C.A.R.E.S Team can withdraw any student, including students with disabilities, from one or more classes or from the college when the student poses a direct threat to self or others, when the behavior is disruptive to the educational or learning environment, or when other behavior related to a medical or disability condition interferes with the educational processes of the college.

   b. The C.A.R.E.S Team will consist of the Director of Student Advocacy and Wellness/Title IX Coordinator, an academic dean, a representative from the Student Development Center, a representative from Residence Life, a faculty or staff member.

3. Readmission from Voluntary or Involuntary Withdrawal - A student who voluntarily withdraws or is involuntarily withdrawn from the college must make an application for readmission to the Vice President of Student Services and the C.A.R.E.S Team which allows them to:
   
   a. Require a letter from the student's treating physician(s), psychiatrist(s) or other professional(s) indicating current treatment and that the student is ready and able to return to and benefit from enrollment in the College. Additionally, documentation should include any needed terms, conditions, or limitations for continued College enrollment and specify prescribed medications, their purpose and effect.

   b. Consult with the student, their physician, and/or with persons knowledgeable about the student’s medical or psychological condition and its probable manifestations.

   c. Consult with a qualified professional of its choice to help assess current medical evidence as to the student’s readiness for reentry to the college and of their ability to attend classes without disruptive behavior or substantial risk of harm to the health and safety of self or others.

   d. Require the student to provide additional documentation, or to be examined by a qualified professional(s) of the college's selection and at the college's expense.

   e. Require other current information reasonably calculated to assist in making an appropriate decision regarding readmission.

   f. Set certain requirements for readmission and continued enrollment based upon the information presented. Any breach of the readmission requirements may result in immediate involuntary withdrawal of the student.
g. A student may submit a written appeal for any decision of the C.A.R.E.S Team to the Vice President of Student Services using the following policy. The student has three (3) college working days upon receipt of the administrative action to provide written request of appeal. The appeal must be based on one or more of the following:

   i. Denial of due process, constitutional or statutory rights.
   ii. Discrimination.
   iii. Clearly unreasonable, arbitrary, or capricious methods used in the decision of the matter.
   iv. Excessively severe sanction.
   v. Newly discovered evidence or information which, with reasonable diligence, could not have been produced for the C.A.R.E.S Team.

4. Appeal consideration will not be granted unless one or more of the criteria is satisfied. The student will receive a written statement of the rationale for denying the student's request of appeal from the Vice President of Student Services.

5. Appeals considered by the Vice President of Student Services may require a meeting with the student to gather new information. The Vice President of Student Services may confer with the Director of Accessibility Services. Appeals that are granted require a written statement of rationale to the student and the C.A.R.E.S Team.

6. There is no appeal of the Vice President of Student Services decision.

A student shall be subject to appropriate disciplinary sanctions if found to be in violation of any of the following:
